The National Bank of Detroit Special Money Museum Exhibit will be here Thursday, March 5, through Tuesday, March 17. See it. Admission free.

Money talks-when it's in the form of rare old coins. They tell a good part of the story of mankind. Come in and see coins that tell tales of traders and pirates, of merchants and seafarers. See coins of the Holy Land exchanged for goods in markets during the time of Christ. See, too, ancient coins of the mysterious East, coins that tell of lost cities and forgotten temples. Let your imagination tour the modern world through the collection of foreign coins and paper money. Come in any-time during banking hours-9:30 a.m. to 3:00 p.m. Monday through Thursday or until 7:30 p.m. Friday.
