

Speaker Scheduled For Kenbrook PTA

Mr. Arnold W. Langerhausen will be the speaker at the March 17 PTA talk about your will. He will answer such questions as "Why should I have a will?" and "What should I have in a will?"

Many will be interested in this topic.

Born October 23, 1907, in Detroit, Mr. Langerhausen received his preparatory education at the University of Michigan (AB, 1929) and his legal education at the Detroit College of Law (JD, 1937). He was admitted to the bar in 1937 and was a partner in private practice in the firm of Langerhausen and Langerhausen, established in 1940. He is a member of the Delta Theta Phi fraternity and he has many legal positions throughout Michigan.

Refreshments will be served at the end of Mr. Langerhausen's talk. The hostesses for this month are Patti Page, Lucille Shipley and Marilyn Acland.

**increase alarmingly this far** this year. Michigan has the highest percentage increase in deaths of any of the large states in 1963.

**Governor Romney stated** that the alarming upward accident trend has been recognized by State officials and considered by the State Highway Department. Recommendations requiring action were outlined in his special traffic safety message to the Legislature.

**The State Police were in** the State to increase their patrol coverage by increasing their work week from 5 days to 6 days during the winter months to curtail the mounting death toll.

**Governor Romney requested** that the City Council to every effort possible to speed up traffic law enforcement, such enforcement should be carried out on a continuing basis using recognized methods and techniques.

**City Manager Dian stated** that the Speedwatch program would be reactivated in the month of March on traffic congestion.

**Motion by Thayer** seconded by Peterson that the City Council support Governor Romney's request to speed up traffic law enforcement in the City of Farmington.

**New low rate for all-electric living cuts cost of electric heat as much as 20%**

This new reduced rate is already saving money for hundreds of users. Who else may qualify for the lower rate? You can, if your home is equipped with electric heat throughout and if your appliances operate only by electricity. In other words, if yours is an "All-Electric Home." The new rate lowers the cost of electric heat by as much as 20%—gives you more reason than ever to enjoy modern all-electric living.
