

FLORAL PARK NEWS

E. R. PHILLIPS GR. 4-6575

Sandy Pomeroy, daughter of Mr. and Mrs. Richard Pomeroy of 2208 Lilac, became five years old January 31, and so, the first Saturday in February, she was given a birthday party. There were twelve girl guests invited. Some from the Church and some from the neighborhood. The neighborhood children were Kathy Perkins, Susan Young and Cindy and Diana Taylor. They played games and had a wonderful time. Sandy's little brother, Randy, three years old, enjoyed the party, too.

MRS. MAUD RICHARDS of 2209 Violet is recuperating in Mount Carmel Mercy Hospital in Detroit. She has had her second operation for Cataract, and according to Mrs. Ellen Buysse of the same address she is doing just fine. We hope her recovery will be speedy and that she

will be home soon once again. Floral Park is a Carrie Lynn Todd family, at 2368 Lilac. She was born March 1, and weighed seven pounds and five ounces. She just missed the "leap year" date, so it will have normal birthdays, instead of only one each four years.

The happy grandparents are Mr. and Mrs. Harry M. Todd of Farmington and Mr. and Mrs. Burl H. Estep of Livonia. Welcome to Floral Park, Miss Carrie.

Last year, the Bell System's new cable laying ship LONG LINES, along with the British ship ALERT, laid the fourth and longest of the trans-Atlantic telephone cables that link the United States directly with England.

Kenbrook PTA Square Dance Set April 10

The Kenbrook P.T.A. will hold a Square Dance as a fund raising venture. The purpose of this year's drive is to purchase an Opague Projector priced at \$310.

The purchase of this projector will open to the students at Kenbrook a whole new world of education. They will see as well as hear what they are learning about. Visual Aids make a subject under study come alive before them. They see shape, and dimension, and color. This projector is capable of projecting pictures from a photograph on the page of a book. Visual Aids are the ability of imprinting what is shown on the minds of our children. This, in turn, leads to a clearer understanding of the topic being studied and, thus, better grades to present to their parents.

Come one and all to Dumckel School April 10 and enjoy a real country Square Dance. Mark the date on your calendar and plan your country costume for this gala event.

The tickets are on sale now. They may be purchased at the home of Mr. Glenn Black, 2830 Bay Street, Phone: GR. 6-1890, or Mrs. Richard Bogh, 2365 Nestwood, Phone: GR. 6-2920, or they may be purchased at the door. Posters will be displayed giving all the details.

Beechview PTA To Stage 1-Act Play March 16

The Beechview PTA will hold its March meeting on Monday night, March 16, at 8 p.m. The PTA will proudly present "The Players Have Chosen" a one-act play for the membership.

The Players, feeling that the purpose of the theater is to inform as well as to entertain, are in the process of establishing a library of one-act plays on controversial issues that will be available to local organizations.

The March 16 meeting will also be the nomination and election of PTA officers for the 1964-65 school year, making your attendance doubly important. Refreshments and a social hour will conclude the evening.
