Yours and hers. Because many people bank from 12:00 to 2:00, Mrs. Beaumont spends your lunch hour on the job—takes hers earlier. She and other members of the staff at Manufacturers Bank rotate their hours so that you will receive prompt, courteous service whether you bank in the morning, noon, or afternoon. Whatever your banking needs, you can count on the kind of service that makes people pleased to say, "Manufacturers, that's my bank." Make it yours.

Lucky little Jennifer Lynne Hartwig has eight brothers and sisters to rock her little cradle. Her talented mother made a cradle for her just weeks before little Jennifer was born. The latest Hartwig charmer was born on March 6 at St. Mary Hospital in Livonia, tipping the scales at 7 lbs. 4 ozs. Marge and Werner Hartwig now have six boys and three girls.  
Our Lady of Sorrows Church was the scene of three "subdivisions" baptisms last week. Gary Nicholas Zelds, infant son of Arthur and Barbara Zelds, received the sacrament of Baptism from Father McWilliams, with David and Brenda Zelds as godparents. Jean Margaret Maher, daughter of James and Jean Maher, was also baptized the same day, with Howard and Virginia Carroll serving as godparents. Jennifer Lynne Hartwig, daughter of Werner and Clara (Marge) Hartwig, was baptized with Gary Hartwig and Mary Lynne Johnson as godparents.  
NORM and SUE Heverley gave a farewell party for Bill and Betty Welch of Robinson recently. Twenty-six neighbors came to wish them luck in their new home in Pennsylvania.  
Joanne and John (Diamond) John McCreary were hosts to a group of out-of-town friends at a "Gambling party" last Saturday night. Turtle races, cards and all sorts of games were played with play money, laughs and fun aplenty. Costumes added to the authenticity of the party!  
The newly formed Boy Scout Troop 118 of Flanders School spent Friday, Saturday and Sunday, March 13-15, at the Wilderness Trail near Flint. Twenty-one Scouts and seven Dads went on the outing. Eight Boy Scout Cooking Merit Badges and three First Aid Merit Badges were awarded to eight of the Scouts. A 22 mile hike was part of the outing. The scouts slept in tents on beds of straw. Cooking was done on an open fire. Boys 13 to 17 are eligible to join this troop. Meetings are held at Flanders School every Tuesday at 7 p.m. Interested boys should contact Jerry A. Begoske, Scoutmaster.  
MR. and MRS. JIM GILSON of Elkhart enjoyed a weekend in Montreal, Canada. A combined business and a pleasure trip, there was enough time for their favorite sport, hockey. Mrs. Gilson's mother, Mrs. Dubosky stayed with her two young grandsons.  
Mr. and Mrs. Ron Bridges and their two young sons, Kathy and Michael, spent last weekend with the Tom Nut family. The two men enjoyed the basketball tournament in Lansing and then took their wives to Topinka's for dinner. Sheila and Kathy Stock were  
"college girls" this past week as they enjoyed "sister weekend" at Brown Hall, Eastern Michigan University in Ypsilanti. Their big sister, Lynn, a freshman at Eastern, entertained them royally with planned activities for the young sisters; show, meals in the dorm cafeteria, and lots of ping pong! Lynn Stock has been pledged to the Delta Zeta Sorority at Eastern recently.  
Bill and Ginny Oakes drove in from their new home in Lansing to play bridge with their regular group at the home of Clint and Lee Justice of Laurelwood. Also present were Bob and Lucille Grenier and Ken and Jean Osborne.  
Birthday Babes this week were little Amy Bergdahl, who turned a charming two and Carol Walker, who turned a happy three. Carol shared her birthday cake with Jill and Godparents, Jean Margaret Maher, daughter of James and Jean Maher, who spent the week with the Walkers while her mother was in the hospital. Daddy Bob Walker also celebrated his birthday with Carol, whose birthday comes the day after his. John Dinny is now a boy of four! Happy Birthday.  
Our Ills and Chills Department does not grow smaller, but we're looking for an improvement, now that spring has officially arrived. General has been nursing the mumps and Mrs. Brandt is sure her three little boys will soon be victims of his malady. Norman Osborne was a well peppered with German Measles. The Stock youngsters all had a bout with the flu but baby Ann really was a sick cherub, gave her parents quite a scare. Carol Washburn had a fever which they thought was caused by a strep bug. Dennis Green spent a couple of miserable days in bed nursing a sore throat. John Dinny had a three-day bout with the flu bug and the Streng family all nursed sore throats last week. Jean A. Osborne's mother, Mrs. Mickey Willis, is on the road to health again after surgery; her head stopped twice, which required emergency treatment.

It looks as though one Farmington Oaks resident has disappeared of spring ever arriving and has gone to "greener pastures." Marge Kitzke and a friend are taking a nice vacation in California.  
On a more modest scale, Harvey and Kay Mascoe took a short trip over the weekend. But the way to really do things is to win a sales contest at Lincoln-Mercury like Ed Klockwell did. He and Nora will be leaving for Bermuda, which was first prize in the contest. Bon Voyage!  
NOT EVERYONE is going away though. Larry and Betty Petrick are having visitors; two grandchildren, all the way from Chicago.  
At the last Flanders P.T.A. meeting, we had an election of officers. Hal Leaky is the new President; Fred Boyles, father vice-president; Sandy Schurr, mother vice-president; Robert McLean, teacher vice-president; Richard Isles, secretary; and John Washburn was held over as treasurer.  
Bessie and Jerry Waring observed a wedding anniversary on Sunday, March 22. Lee and Ruth Burns announced that their daughter, Lynette's, marriage to Gary Tobin will take place on June 20.  
Birthdays this week are Barbara Field on the 27th, Jean Hietel on the 28th, and Linda Ring who was eighteen on the 23rd.  
**Local Navy Recruit Has Basic Training**  
Raymond T. Steward, 17, son of Mr. and Mrs. Wesley W. Steward of 2745 Jacksonville Farmington, has begun basic training at the Naval Training Center, Great Lakes, Ill.  
The nine-week training includes naval orientation, history and organization, seamanship, ordnance and gunnery, military drill, first aid and survival.  
During the training recruits receive tests and interviews which determine their future assignments in the Navy. Upon completing the program they are assigned to service schools for technical training or to ships and stations for on-the-job training in a Navy rating specialty.  
Naval training produces the power in seapower by supplying qualified personnel to man the ships, planes, and shore stations of today's Navy.
