### Farmington Cub Scout Pack 48 Stages Father and Son Fun Night

Farmington Cub Scout Pack 48 held its Pack meeting on Friday, March 20, at the Sabor Studios on Haggerty Road.

It was Father and Son Fun Night with a Hayride as the highlight of the evening. Games, songs, and refreshments followed. This was the first Pack meeting for the new Cub Master Bob Murray, and his assistants Cal Hales and Dick Sutterlin. They will have a hard time topping their initial effort for the good time had by all and the impressive Award Ceremony that closed the meeting.

CUBS AND DADS formed a living Scout Circle for the Awards Presentation. The first awards were Bobcat Pins for Doug Wilcox, Tom Belin, and After they took the Scout Oath they were welcomed into the Pack with a hearty Indian War Whoop.

Next awards were Wolf Badges for Patrick Gibney, Mark Hales, Ross Hark, Michael Jerigan, Mark Kistner, Brian Kramer and Ken Tomlin. Mark Hales and Ross Hark also received a Gold Arrow. Michael Jerigan was awarded a Gold Arrow and a Silver Arrow.

Bear, Badger and Gold Arrows were awarded to David Burk, Keith Curme, Brian Akroyd, Allan Akroyd and James Akroyd.

Allan Laskowsky earned a Lion Badge with Gold and Silver Arrows.

A Silver Arrow Award for Robert Murray and Art Denner's Stripes for Donald Morrison, Stephen Schmidt, and Tom Bollin. Denner's Stripes for Brian Akroyd.

Congratulations were tendered by the entire Pack and a gift of a special neck clasp given to Bruce and Mark so they will remember their Cub Scout days.

As closing each Scout held a lighted candle while the Cub Scout Poem was read to remind us all of Scouting Deeds and Friends that "light" the world. Then Taps were played by Bruce Simonson as a special farewell to his Cub Scout friends.

### Kiwanis Music Festival Set

Kendlewood's Kiwanis Club has announced plans for their upcoming music festival, to be held in either January or February of next year at North Farmington Senior High.

"Talent for the festival will be taken from Farmington's different choral and instrumental groups of the secondary schools and will be chosen by the music department chairman of the Farmington school system and a committee. Approximately five groups will participate, each playing two or three selections from previous concerts or recitals.

The emphasis is not on pitting one school against another but to present a well planned musical program. To keep down the air of competition, there are to be no practice sessions or dress rehearsals of the ensembles, leaving the final production open as an extemporaneous affair.

Money raised by the festival will go into the Kendlewood Kiwanis treasury, which will indirectly go back to the people through public service drives. Planning, publicity, and staging will be handled entirely by the Kiwanis.

Honoring the 16th birthday of their youngest son, Steve, the John Dunne family gave a dinner party at their home on Shady side Ave. Sunday, March 15. Most of the guests were relatives.

### This Is Kimberley

By JUDY BURNS  
GR. 4-312

Kimberleyites learned last week with equal measure of surprise and pleasure that Mary Kenney of Greythorne was a finalist in the Mrs. Michigan contest on Thursday night, March 12. I say "with surprise" although anyone who knows Mary will agree that nothing could be more logical. However, a modest Mary and her proud Don swore their delightful seven to seven competition which began as Mary was selected as one of 12 women from the entire state to compete for the title of Mrs. Michigan.

The long weeks included a lengthy and searching questionnaire on every imaginable phase of homemaking, family life and community service, and the submitting of an article of clothing made by the contestant. Mary, who has never taken a sewing lesson but who could give a few choices on the many dresses she has made for her daughters, ingenious in its year-around wearability.

In exchange of over-dresses, sashes, and jackets. The final competition, with the contestants cut to six in number, was a three-hour cooking session, remembered by Mary through a salsa haze due to an untimely bladder infection she contacted during the last week.

RED ROSES are an inadequate tribute but the best this brain can muster, and they are accorded Mary with love and pride from all of Kimberley.

The Association meeting of March 11 elected officers for the coming year with the following results: our new president, Carl Fichurski; vice president, John White; recording secretary, Phyllis Platter; treasurer, Judy Burns; corresponding secretary, Phyllis Platter; and trustees, Larry Plueger, Gus Hauer, Jim Kasper, and retiring president Jim Witmer.

The PTA meeting on March 10 also resulted in a new slate of officers for 1964-65. Elected were: president, Harold Hupfies; father vice president, Bill Flattery; mother vice president, Betty Kaler; teacher vice president, Mrs. Butler; corresponding secretary, Anita Crompton; recording secretary, Fran Ehlers; and treasurer, Betty Rankin.

### Car Salesman Awarded Merit Certificate

John F. Crew, exclusive Lincoln Continental salesman with Bob Dandridge, Inc. 5205 Grand River, Farmington, has been awarded a certificate of merit upon completion of a four-day special training session in Dearborn, Mich.

"LUXURY Car selling calls for specialized techniques and we plan to have our salesmen professionally equipped to serve prospective luxury car buyers," H. M. Ramsey, division marketing manager for "Lincoln Continental," said.

The session featured a tour of the Wisconsin, Lincoln Continental assembly plant and conferences with company engineers on aspects of the intensive quality control programs in force there.

The salesmen also accompanied a test driver on the 12-mile road test which is given to all Continentals and participated in a series of panel discussions with other salesmen and company executives.
