S. Farmington Little League Now in Action

All age groups of Farmington Baseball For Boys are in action and League play will begin shortly after tryouts and assignments are completed this week.

Tom Hoffman, director of the "C" League, has his 8-year-old organized and ready to go. Mr. Hoffman says all "C" League games will be played at Our Lady of Sorrows Athletic Fields.

Boys assigned to Minor League Teams in the Little League group are in the captain's bands of directors Red Brunette and Gus Nuttall, and will continue to practice as scheduled. Eighty-three boys were selected for Major League tryouts held May 11, 12 and 13 of this week.

GENE DODD, Players agent, announced he and Commissioner Paul Villamonte would hold the Players Draft on Friday, May 15. Mr. Bill Hamilton, Vice President of the Little League, will be unable to attend the Draft as he has recently undergone surgery.

In the under groups, the Pony League committee will continue and there will be a six-team League for the boys which will make for very interesting competition.

All Pony League boys will be assigned this week and practice for each team will then be under the control of each manager.

Harry Filipatrick, Vice President in charge of Pony, Colt League, is still looking for more help in his coaching department. Mr. Harry also indicated that there are a few openings left for more boys in the 15, and 16 age group for the Colt Teams.

Anyone wishing to help out or joining up for the Colt Teams may call either Paul Villamonte (474-0385) or Harry Filipatrick (474-0385).

Falcons Split Twin Bill May 9

The Farmington Falcons split a doubleheader last Saturday, May 9.

The Falcons won the opener 14-0 at Waterford. Kettering on fine pitching by both the winning pitcher, Steve Page and reliever Bill Freeman. Mike Perry led the hitting barrage with two doubles and four RBIs. Jim Stevenson belted a double and a single in contributing to the win. The game was over in the first inning as the sandloters went ahead 6-0.

In the second game, Bill Freeman was the losing hurler after pitching only one and two-thirds inning. Gary Heist and Jim Stevenson finished the pitching duties. The loss was 1-2. Falcon hitting support was down as the team came through with only four hits. Barry Aneda led the hitting attack with two hits, a single and two RBIs. The first Falcon hit the fifth inning, and a double in the seventh.

Tension rose high in the final Falcon inning with two men on and two out but, through a mix-up at the bench, Bill Freeman batted out of turn and was called out.

Youthful drivers in 1963 had the worst record of any age group in the United States. Young men and women under age 25 represent only about 15 per cent of the nation's licensed drivers, yet they were involved in more than 29 per cent of all fatal accidents.

Falcon Track Squad Wins Over Waterford, 62-47

The Farmington Falcon cindermen crushed the Waterford skippers last Thursday at the Kettering track, 62-47.

The Falcons got some fun efforts first in the field events and trailed only 25-10 going into the running events. Ron Smedley got off a superior effort in the broad jump, but was forced to take second with a leap of 20 feet one and a half inches. Ron Cleveland took third with 19 feet 7 3/4 inches and Ron Short, trying the event for the first time, called 18 feet 9 1/2 inches.

Mark Williams cleared 10 feet six inches for the first time in his life, but took only fourth to the powerful vaulting skippers. Neil Warriner got OLS Baseball Team Posts 4-2 Record So Far.

Baseball has been called a game of inches. It is also a game of statistics which can be played as high as the ceiling and as low as the ground.

But first, the record of the team, coached by Bill Gallagher and John McClure. The overall record is four wins and two defeats.

In the North-West League standings, the team is tied for second place—one game out of first. How'd they do it? Well, the first game, to be brief, was won 5-0.

TOM CUNLIO shot St. Fred's out of the park in the game Tom injured his eye with a tennis ball and has been out ever since.

A game No. 2 was a 3-2 win over St. Agatha's. Myles Kearney allowed but two hits. The "Lancers" were off and flying.

The season's first lost came at the hands of Orchard Lake St. Mary, now in first place. Kearney was beaten 3-1. The "Lancers" are to play them again this Friday, a home game.

OLS beat St. Fred's in a second meeting. Rick Goyt, one of Sorrows' most versatile athletes, threw a one-hitter in shutting them out 13-0.

The batting averages rose and the fans were made happy. Not so last Thursday. Although Sorrows split a double-header with St. Mike's, they lost more ground in the battle for first place. The first game, saw 31 runs scored. OLS led 10-0 in the first inning as the sandloters went ahead 6-0.

In the second game, Bill Freeman was the losing hurler after pitching only one and two-thirds inning. Gary Heist and Jim Stevenson finished the pitching duties. The loss was 1-2. Falcon hitting support was down as the team came through with only four hits. Barry Aneda led the hitting attack with two hits, a single and two RBIs. The first Falcon hit the fifth inning, and a double in the seventh.

Tension rose high in the final Falcon inning with two men on and two out but, through a mix-up at the bench, Bill Freeman batted out of turn and was called out.

CITY MANAGER JOHN DINAN picked out the winning entry in the recent give-away contest held at Dan Lowe's hardware. Dan assisted with the bag of names poised over the top prize, a Yardman power lawn mower, which was won by V. C. Hartwig of 33030 Annwood in Farmington.

Local Democratic Club Slates Lt. Gov. Lesinski

LT. Gov. T. John Lesinski will be in Farmington Monday, May 25. He will be the featured speaker at the first annual dinner of the Farmington Democratic Club.

The dinner is scheduled for 6:45 p.m. at McInerney's Dining Room, 29301 Northwest Highway, between 12 and 13 mile roads.

"We are fortunate that the Lt. Gov. was able to fit our dinner into his tight speaking schedule," said Farmington Democratic Club Chairman Aldo Vagnozzi.

"JOHN LESINSKI is a favorite in Farmington. He was last here in 1962 when he addressed an overflow crowd—probably the largest crowd to ever attend a political rally in Farmington," Vagnozzi said.

"The Farmington Democratic Club is appreciative of the way Lt. Gov. Lesinski has filled the leadership void which had been left in this state by the failure of the governor to gain full support from his own majority party in the Legislature," Vagnozzi said.

"As President of the Senate Lt. Gov. Lesinski has put together a coalition of Democrats and Republicans working for the people of Michigan. His handling of the job of President of the Senate and his knowledge of how state government works has won praise from all sides of the political fence," Vagnozzi concluded.

The Farmington Chapter of the Order of Eastern Star will hold a Rummage Sale on Saturday, May 23, beginning at 10 a.m. in the Wheeler Street Fire Station.
