

Kindergartners Take Bus Tour

The kindergartners classes at Ten Mile Elementary School, under the leadership of Mrs. Doris Porter and Mrs. Evelyn Umphrey, viewed Farmington from a new vantage point through the windows of a school bus.

On Wednesday, May 20, the kindergartners took a field trip to see "Our Community." The children saw homes, businesses, library, Post Office and the new Municipal building.

On the periphery of Farmington the boys and girls enjoyed seeing the farms and farm animals. The high point for many of the children was seeing the tame white deer on Ten Mile Road.
