## LADIES

### STEP FORWARD

### Beauty for the Total Woman

The Total Woman wears an air of quiet confidence. She is happy to live with herself. She is not attentive to any one of the particulars which make up fashions, but, rather, she comes to know herself. She has decided, from among the various trends, the ones which suit her best and which she is going to follow. Her hairstyle, and all of the paraphernalia of fashion which she employs, are well thought out, and she has a certain air, a certain style of her own.

logically then most people give it.

Wherever you are—walking, dancing, swimming or sunning—you'll be wearing The Ruffie. If you care, if you're fastidious, if you're fashionable. For The Ruffie is the latest, prettiest, chicest hair style to complement Paris and New York's freshest designs for spring and summer. See The Ruffie at

## Pre-Schoolers Graduated to Kindergarten

Some 30 pre-schoolers and their teacher all "graduated" to kindergarten as the Botsford Nursery School completed its year's program June 8.

Mrs. Virgene Shreve, teacher at the school for five years, loaned a tassel cap along with her young charges because she is leaving to teach kindergarten at a school in Birmingham near her home.

A FORMER Redford Township resident, she had taught both her own youngsters in the cooperative nursery, which draws members from Redford, Livonia, Farmington and North Dearborn. Classes are held Monday and Friday at the Northwest YMCA on Grand River and Beech in Redford.

All 25 youngsters in the afternoon class and several in the morning group are graduates going into kindergarten next fall.

## Replacing Mrs. Shreve

Replacing Mrs. Shreve when the nursery reopens in September will be Mrs. T. G. Adams of Dearborn. She is an experienced educator who currently teaches at a cooperative nursery in the Dearborn area.

## THE BULMAN nursery

has classes twice a week from 9:15 to 11:15 a.m. and from 1 to 3 p.m. As in all cooperative nurseries, a varied program is offered the pre-schoolers and mothers take turns assisting the teacher in class sessions.

Children who will be four by Dec. 1 of next year are accepted for the afternoon class, and both three and four-year-olds may register for the morning class.

Some places still are open for the 1964-65 school year. For applications and further information, interested parents may call Mrs. Sally Oehmke, membership chairman, at GR. 6-1352.

## Earn Degrees From Central Michigan

Marilyn Betty Olson of Farmington received a bachelor of science degree in elementary science, geography and music (vocal) from Central Michigan University in Mt. Pleasant, Michigan at the June commencement exercises.

Robert Frederick Walker of Farmington received a bachelor of science degree in education, secondary, industrial arts, and history.

## Queen's Court Role For Farmington Coed

Miss Hart was the 1963 Engineering Sno-Ball Queen, Pi Kappa Alpha's fraternality's Dream Girl, 1962, and Miss Alpha Delta Pi in her sorority's region. She was also a member of the 1961 Governors' Lady Court.

## Toastmistress Clubs To Stage Conference

The Northeast Region of the International Toastmistress Clubs will be converging on Detroit at the Sheraton-Cadillac Hotel this weekend, June 12, 13 and 14. Some 16 states and 130 Clubs will be sending delegates and members for their annual conference, comprising workshops on various phases of Toastmistress training.

The week of June 7 to 14 was proclaimed Toastmistress Week by Mayor Cavanagh of Detroit.

THE HIGHLIGHT of the conference is the Saturday-evening speech contest. Ten speakers, who have won at their Council level, will be participating and the winner will represent the Northeast Region at the 48th International Speech Contest in Denver, Colorado, in July.

The Speech Contest Chairman for this conference is Mrs. John L. Ralston of Farmington, who is president-elect of Redford Toastmistress Club.

Two of the judges for the contest are also of Farmington, Gerald V. Harrison, Superintendent of Schools, and Douglas Horst, a former Toastmistress.

Other Redford Club participants in the conference include: Mrs. James Webb of Farmington, in charge of Housing and Property; Mrs. William Sudterfield, Program Chairman; and Mrs. George Mayse, Printing.

TOASTMISTRESS was organized in 1938 in San Francisco by a group of California women who saw that women must be able to communicate effectively if the impact of their influence was to be felt.

Toastmistress is designed to enable women to develop themselves whatever their sphere of living, home, business, or public life, they can deal competently with events. Whether you are employed, a member of a profession, owner of a business or in your own home, all situations call for poise, self possession and the need to communicate effectively.

## VFW Auxiliary St. Convention Set June 18-21

Mrs. Wanda Menke, president of the Veterans of Foreign Wars Post 403 Auxiliary in Farmington, and four other auxiliary members will attend the Michigan Department (State) Convention to be held June 18 through June 21 in Muskegon.

National officers for the 1964-1965 year will be chosen during the 31st annual national convention to be held in Cleveland, August 21-28, 1964.

AUXILIARY members annually give more than three million dollars, over six million volunteer hours, to hospitalized veterans and their families, in community service, Americanism programs, assistance in youth groups, cancer research, civil defense and legislation benefiting veterans.

The organization also contributes heavily to the support of the V.F.W. National Home at Eaton Rapids, Michigan, which provides for the children of veterans.
