Local Blue Star Mother Elected To State Office

The State convention of Blue Star Mothers of America took place last month at the Henness Hotel in Detroit. Attending from Chapter No. 49 of Farmington were president Catherine Byrne, Irene Kreuger, Virginia Lindsey, Mary Ellen Smith and Rita Vanderburg.

The new State officers are: President, Flora Heidman; First Vice, Charlotte Flint; Second Vice, Charlotte Wedel of Kalamazoo; 2nd Vice, Irene Kreuger of Farmington; 4th Vice, Evelyn Harrington of Grand Rapids.

ONE OF THE events Chapter 49 was happy about was the Scholarship to Interlochen given to Virginia Lindsey's daughter, Kathleen, who placed the ladies at the Convention with her clarinet playing. She was given \$50 and to that the Chapter added the proceeds of their Lasagna luncheon to make a total of \$85.

The Mothers of Chapter 49 are very grateful to John Smith, a Boy Scout of Troop 162, and Janice Phillips of Girl Scout Troop 1008, for carrying the Chapter flag in the Memorial Day parade. It was Jane's third year of service for the "Mothers."

Chapter 49 wishes to convey their thoughts and prayers of sympathy to June Koehler in the death of her sister.

The Chapter draped the chapter this month for Blue Star Mother Telsie Gregory who died in April.

The "Mothers" have decided to discontinue the all descent luncheon and return to good old solid food again. The vote was practically unanimous. It was believed to have been the Lasagna at Mary Jo's that did it because the business meeting was the very next day while the favor lasted!

The July card party and luncheon will be held at Catherine Byrne's home on Wednesday. As usual, it will be on the second Wednesday at noon. Let Catherine know if you are bringing guests.

If you plan to use a boat on your vacation, the Automobile Club of Michigan suggests that you carry an approved fire extinguisher along.

Trinity Church Will be Scene Of Shaw's Classic 'Saint Joan'

The nationally known Fish-ops Company of Burbank, California, will appear at person in highlights from "George Bernard Shaw's classic play 'Saint Joan'" on July 21 at 8:30 p.m. at Trinity Church, Farmington.

From the finest of English literature comes this story of Saint Joan, the story of the Maid's faith and inspiration. Joan's many facets of character from the peasant girl of her time through her final consummation in Rouen was never more vividly portrayed than in day when our world rests upon the conscience of each man and woman and their personal decisions.

THE ROLES of the men who completed Joan's history provide a great portion of the excitement in this unusual evening of theatre. Meeting the challenge with courage and skill, the actors present their several roles: the pompous Squire de Bourdillon; the French forces; the sympathetic but militant churchman, Ladureau; the childlike and whimpering Charles, the Dauphin; France's unswerving King; the sincere and sinister inquisitor; and also the Archbishop of Rheims Cathedral.

The Bishop's Company was founded in 1932 by Mrs. Bokar and is in its eleventh year of bringing fine drama into the houses of worship in America and Canada. It has appeared in over 6,000 churches of all denominations and has a touring record of nearly a million miles.

The Bishop's Company will appear under the sponsorship of the Trinity Episcopal Church of Farmington.
