## Local Wrestlers Compete In AAU Tourney at Flint

The summer program of athletic workouts being conducted at the Knights of Columbus Hall in Farmington Tuesday and Thursday evenings beginning at 7 p.m. took on added prominence this week as it was

learned several of the athletes participating in the new conditioning program performed in excellent style at the Fourth Annual Flint AAU Wrestling Tournament, held Friday and Saturday, July 17 and 18, at Flint Northern High School.

FARMINGTON'S Stan Secoy captured first place in the freestyle division in the 160-pound weight class and also earned second place honors in the Greco-Roman division at the 160-pound weight. Secoy, who earned state honors in wrestling and football as an athlete for Our Lady of Sorrows, was competing for the first time in the Greco-Roman Division.

Denny Solar, a fifth grade student at OLS, placed ninth in the elementary division at the AAU meet in the 60-pound weight class. The elementary division competition at Flint is recognized as the official AAU Michigan Championship.

Pat Solar, a seventh grader at OLS, placed third for Farmington in the Junior High Division at the 85-pound weight. Frank Walsh, an eighth grader at OLS, also placed third in the Junior High Division at the 174-pound class.

Director of the summer athletic program being conducted at the K of C Hall on Middle Street, Dan Potter, wrestling coach at Our Lady of Sorrows, also had news of an addition to the coaching staff for the twice a week conditioning program.

Bill Gucciardo, variety wrestling coach at Farmington High School, is now working with the athletes during the conditioning program.

"Gucciardo," Potter said, "is a valuable addition to the program and it is hoped more boys from the public schools may be attracted through the reputation of this wrestling coach and join the group now working out at the K of C Hall."

There are 25 elementary school aged youngsters working out in the program along with an equal number of prep athletes, Potter said. Several coaches, capable prospects, including football aspirants and basketball players, are in the program.
