rate..."
You too can get fast results through an Enterprise classified ad. Just call GR. 4-6225 and ask for Jeanne Beck.

Water Project To Be Ready in Twp by Sept 15

Farmington Township Supervisor Curtis H. Hall reported Tuesday night, August 18, at the Farmington Town ship Board meeting that the water system won't be completed for another month or six weeks, according to the Oakland County Department of Public Works.

according to the Gakland County Department of Public Works.
Supervisor Hall stated that transmission and distribution lines under construction in the township are nearly completed and many areas will be in service by September 13. The main line being constructed by the Debrioti Water Board up linkster with the passes any problem, with contractors reporting difficulty in recruiting crews, in the wake of the strike by the underground construction works which lasted six weeks.

RAIN WHICH CAME last weeks.

RAIN WHICH CAME last week has reportedly relieved the water supply problems for water ban restrictions are still in force. More rain may bring a relaxation in the present, restrictions, however, it was indicated by Supervisor Hall. He said the County DPU is making several checks daily on the water supply more problems for change in the existing use restrictions is reasonable and change in the existing use restrictions is reasonable. Several residents appeared at the Tuesday night meeting to raise questions on the water project's construction, progress. Supervisor Hall again went See WATER PROJECT
