\$3.00 A YEAR OAKLAND & WAYNE COUNTIES

SEVENTY-SIXTH YEAR-No. 52

Rex Cavley, the former All-American Track Star at Farm-ington High School, this we e k shattered the world's record in the 400 meter hurdles while competing sunday in the final trials for the -US Olympic Team in Los Angeles. This is the second start of the was clocked in the record time of :49.1 seconds in the 400 meter hurdles event. Cavley's record - breaking performance was the highlight of the two-day final trials held in Los An-geles' Memorial Collegem. A GRADUATE student at the University of Sauthern Callfor-nia in Los Angeles, Cavley is schedulet to leave September 28 for Tokyo and the Olympic Grae.

28 for Tokyo and the Olympic Games. He shaved one-tenth of a sec-ond off the old world's record in the 400 meter hurdles event and qualified for a berth on the US Olympic Track Team. Cawley drew high praise and commendation from hometown officials this week. Both the Farmington City Council and the Farmington School District Board of Education took offi-cial action at their regular meetings Monday night, Sep-

OK 2 Lights on Farmington Rd.

Necessary funds to provide for two three-way, three-olor traffic control lights on Parm-raffic control lights on Parm-type Parmington atea to pro-vide better traffic control were authorized for expenditure by the Farmington City Council Monday night.

Monday night. The action was taken follow-ing a review of a study and recommendations made in a special report to the council by the city's public-safety-director, Murice Folz.

Authorized was the transfer

Maurice Foltz, served, and the Authorized was the transfer of E.200 to cover the cost of in-stalling the kind of lights and controls recommended by the appropriation of \$20 monthly for the electricity needed and maintenance of these lights. It was painted out in the safety director's report that while he park accesson traff, a very heavy and constantly in-creasing flow of traffic was be-ing experienced. The opening of the new National Bank of Detroit offices at Farmington Road and Alta Loma has great by increased the traffic hazar print action to the safety of the regarding the problem th at vous the problem that the safety of the the safety of the traffic was be-ing experienced. Hamila and Hall were cited for their many contributions to the local service club and for their active roles in the community. Hamila is Chairman of the Oakland County, Board of Supervisors, and Hall is Supervisor of Farm-ington. Township

An all out effort has been launched by the board of direc-tors of the Farmington Board of Commerce and committee members in the organization to raise the necessary funds to provide for substantially more Christmas lighting and other decorations for the community during the Yule season. A fund raising goal of \$4,000 has been set for this year. Hopes are that enough more can be added in future years opt only to maintain and make replacements of the initial ac-

quisition of lights and decora-tions but also to add more to make Farmingt the best deco-to the second second second second second communities in this area sround Christmas time. The board of directors met with at least partial success Monday night in their initial ef-fort toward meeting their rath-er ambitious goal for this year. ALL THREE local governing bodies, were visited by mem-bers of the board of directors and proposals made to board members on what help would

Making the rival football game botween Parmington High and North Farmington High at the conclusion of each football season, a bigger and better community function and a game which all area sports fams could attend is one of the ma-jor ways that it is hoped funds for community lighting at Christmas-time can be raised. The Farmington Board of Education indicated general ap-proval with the B. of C. direc-tors' proposal that this g a m e
