# Wood Creek Village

ANNE M. PHILLIPS  
MA. 6-8335

Last week Tuesday Ethel Nelson had an At Home for Marj Lam. Her home was crowded with friends from their neighborhood as well as the many friends she has here. Marj gave us an interesting talk about her training period for this assignment with the Peace Corps and what she expects to do in Peru. There is a carved cake with candles — It was Marj's birthday! Marj left Monday for New York City and was scheduled to make the flight to Peru yesterday.

Terry Oonke flew to Mexico City last June 21 with a group from the Conference for Inter-American Student Projects, which his church had joined last year. St. John's in Grosse Pointe sent a group to Peru the previous year before joining this Conference. After a week in Mexico City five of this group went to Tasco. Terry did social work concentrating on visiting homes and trying to improve hygiene conditions; the other four, girls, spent much of their time teaching.

alphabetizing both children and adults, as well as having more practical classes of sewing and cooking, etc. Terry arrived back in Detroit August 27 and has until October 1 to return to Michigan State.

PAMELA BUSCH also plans to join the Peace Corps. Pam was certified at Western Michigan last June to be a medical secretary and she has been working for Upjohn in Kalamazoo. Next week Wednesday, the 30th, she leaves for the U. of St. Louis where she will be training until December 10. She will come home for Christmas before leaving for Puerto Rico. She is looking forward to her month there as it will be the height of the tourist season. She then goes to Costa Rica for her permanent assignment.

David Busch will be a senior at Northern Michigan in Marquette. He was on the Dean's list last semester. He will be a resident assistant in his dormitory this year.

A week ago yesterday Ken Kreider returned to Denver, Colorado, for his sophomore year at the U. of Jackson.

brook in May of 1942. He and his wife retired to Florida about 32 years ago. He is survived by his wife and two sons, one in Birmingham, and one in Lathrup Village. This news will sadden several of the early comers to Wood Creek, I know.

Ginny Switt was good enough to write me an account of their vacation trip. I quote: "The Switts left on a Monday and drove to Stratford, Ont., to see an excellent performance of King Lear. Next day they drove to Gananaque and took the Thousand Island trip which we had done some twenty years ago. On Wednesday we drove to Montreal and took the cruise ship up the St. Lawrence River to Saguenay Bay and saw the far-famed Saguenay Gorge,

at the beautiful-resort hotel, Manoir-Richelieu, at Murray Bay. This is holiday life at its best. We drove from Montreal on Sunday and Labor Day. It was a delightful ten days of relaxation."

The Franklin Garden Club will meet Thursday night, October 1, at 8 p.m. at the home of Mrs. Gertrude Nepper, 39560 Telegraph Rd. Courtesy of the Detroit Edison Company, we will have our program pictures showing their participation in the World's Fair

# Dodge comes on big

## '65 DART: The Dodge-size compact

If you're the kind of person who likes to live a little, we'd like to let you in on something big—Dodge Dart for '65. Dart is the fun compact with big ideas. Big Beauty. Big Comfort. Big Ride. And Big Savings. In the engine room, Dart's mighty big, too. Take your choice of the Mobil Economy Run winning Six or a husky V8 that won't take "slow" for an answer. But why listen to us when that frisky fella is right down at your Dodge dealer's. See what we mean, today.

Swingers go for Dart GT. And sporty Dart GT goes for everybody... for the economy-minded, for the sports-minded. Great way to leave things behind—like worries—like other cars. GT gives you what you go for.

## '65 CORONET: A hot new Dodge at a new lower price

Leave it to Dodge to build a hot new, all-new car with the stretch-out room of a standard-size Ford or Chevy, yet priced with Fairlane and Chevelle. For that's exactly what they've done. It's called Coronet '65. And if the name seems familiar, nothing else about Coronet will be. It's totally new from road to roof line. With refreshing new styling. Oceans of room. A ride that belies its low price. And performance that's so exciting you'll have a hard time believing it even after you've put it through its paces.

You can pay as much for smaller cars, but why should you? When the full-size Coronet's looks get you going, bet your boots its price won't slow you down. Dodge Coronet for '65—that's the spirit.

\*HERE'S HOW DODGE'S 5-YEAR, 50,000-MILE ENGINE AND DRIVE TRAIN WARRANTY PROTECTS YOU. Chrysler Corporation confidently warrants all of the following vital parts of its 1965 cars for 5 years or 50,000 miles, whichever comes first, during which time any such parts that prove defective in material and workmanship will be replaced or repaired at a Chrysler Motors Corporation Authorized Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings. REQUIRED MAINTENANCE: The following maintenance services are required under the warranty—change engine oil every 3 months or 4,000 miles, whichever comes first; replace oil filter every second oil change or clean carburetor air filter every 9 months and replace it every 2 years; and every 6 months furnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.
