LISBON, PORTUGAL, AND PARIS were some of the romantic spots visited by Robert and Mini Shepperly of Bayberry Rd. The Shepperlys took a dream vacation for three weeks. They flew to Lisbon, Portugal, then drove to Southern Portugal and Southern Spain. The climate was ideal and they visited the neighboring villages and enjoyed the views of the beautiful coastline and shore. They stopped for jewelry hand-made Spanish bracelets and perfume. After seeing the actual Rock of Gibraltar, they flew to Paris. They saw the Eiffel Tower, Notre Dame Cathedral and dined out at all the famous places. They brought home colorful slides of their happy trip. After listening to them, one wants to hop a jet and fly off to Spain.

WELCOME INDEED is the news that David Moorhead is home from the hospital. Helen Gibran, they flew to Paris. They saw the Eiffel Tower, Notre Dame Cathedral and dined out at all the famous places. They brought home colorful slides of their happy trip. After listening to them, one wants to hop a jet and fly off to Spain.

AN ACTUAL SWIM WITH 'FLIPPER' ON TV was enjoyed by the lucky William Morgan family of Paddelford Lane. William and Pat Morgan and their three children, Larry (11), Patty Lou (8), Chris (5), drove to Grassy Key, Florida where the dolphins have their training school. Believe it or not, "Flipper" or Miti (real name) was there and the children could swim around the pool with him, hanging onto his fin. From the Keys they traveled to the Rod and Gun Club, the Everglades and finally on to Tarpin Lodge. The Morgan children brought back movies of their entire trip to show to admiring schoolmates.

Daniel Parker Wins Highest Scout Honor

The monthly Cub Scout meeting of Pack 112 was held March 23 at William Grace School.

Mr. Blatter, Boy Scout leader of Den 162, and six of his Scouts attended our meeting. They conducted the sale and "WEBBLES" ceremony awarded to Daniel Parker. This is an outstanding achievement as this is the highest award received in Cub Scouting. He will now go on to be a Boy Scout.

CARE TO TAKE A FLYING LEAP? Several Farmingtonians are, the members of the Scuba Diving Club to be exact. Headed by Dave Burns of Clairview Dr. the members meet every Tuesday night. They are members of the Michigan Skin Diving Council. Experienced divers, both men and women are invited to join. Call Dave Burns, 628-8663 if interested.

KENDALLWOOD ANNUAL CARD PARTY will be held at Our Lady of Sorrows on April 27 at 8:00 p.m. There will be door and table prizes. Donations are \$1.75 a ticket. Besides an evening of enjoyment you will be contributing to a worthy cause. The proceeds go to the Plymouth State Training Home and will be used for orthopedic braces. Chairmen are Mrs. William Allen and Mrs. John Thomas. Call Elaine Dempster, GR 6-3327 for reservations.

CHILDREN ARE WONDERFUL TEACHERS and if they are willing to take time from their busy and interesting lives to instruct you, with some real effort on your part you will be amazed at the results. One of the better-type pedagogues is Steve Gahagan of Briar Hill. Under his patient guidance, Easter egg trees have been constructed, pancakes cooked to the right consistency, flowers properly pruned and the suitable clothing selected for different occasions. A perfectionist, he is not always happy with results, but dogged perseverance sometimes pays off.

WEGE STEVE'S BELOVED ELK HOUND suffered a timely demise a short while ago but now his place is being amply filled in the Gahagan household by Terry, a new Norwegian elk-hound.

WESTGATE SUBDIVISION has a new very much on-the-ball publicity chairman, Bea Scaglione. She tells us that the J. J. Fosters have just returned from a marvellous three-week vacation in Florida. Sight-seeing, visiting, and catching up with old acquaintances were just a few of the things they enjoyed. In Dundin they stayed with Mary Madu, a former resident of Briar Hill. Mary is delighted to see her old Farmington friends, so be sure to look her up if you are in Dundin.

THE DON UPHOFF family of Castlereigh are enjoying the newest addition to their family, a darling baby son named Matthew.

A BIRD NESTING RACK will be made by the members of the Special Education Group this meeting. Rosemary Oppenheimer is the Chairman of the Committee. The members will show the students how to take a board, tack woven potato sacks, fill with bits of string, yarn, and shredded paper and plastic dryer fuzz. Our feathered friends can have this protection until warmer weather.

REPRESENTING FARMINGTON Mrs. Leroy F. LeGree, Mrs. John I. Millstone, Mrs. Peter Bogatynoff, Mrs. Aldo Vagnozzi all attended the kick-off luncheon this afternoon (Wednesday) of the Cancer Committee of the Cancer Control Crusade sponsored by the Michigan Cancer Foundation in the Veteran Memorial Building. Among other prominent persons attending was Mrs. Lenore Romney, First Lady of Michigan and Women's Crusade Committee Chairman for the South Oakland County Unit of the Foundation.
