HOMEMAKER OF TOMORROW NAMED
Deanna Hill Staley has been named Clarencville's 1965 Betty Crocker Homemaker of Tomorrow. She scored highest in a written homemaking examination taken by senior girls December 1, and she is now eligible for state and national honors.

Test papers of all school Homemakers of Tomorrow in the state are currently being judged. The state's highest-ranking girl will receive a \$1,500 scholarship from General Mills, Inc., sponsor of the annual Betty Crocker Search for the American Homemaker of Tomorrow, and the state runner-up will be awarded a \$500 educational grant. In addition, the school of the State Homemaker of Tomorrow winner will receive a complete set of the Encyclopedia Britannica from Encyclopedia Britannica, Inc.

Later this spring, the State Homemaker of Tomorrow, together with a school advisor, will win first-place winners and advisors from each of the 50 states and the District of Columbia in a tour of Colonial Williamsburg, Washington, D. C., and New York City. Climax of the week-long tour will be the naming of the Betty Crocker All-American Homemaker of Tomorrow. She will be chosen on the basis of original test score and personal observation and interviews during the tour, she will receive an increase in her scholarship to \$5,000. Second, third, and fourth-place winners in the nation will have their grants raised to \$4,000, \$3,000, and \$2,000, respectively.

The Betty Crocker Search for the American Homemaker of Tomorrow was initiated by General Mills in 1954 to emphasize the importance of homemaking as a career. Including this year's record enrollment of more than 14,000 high schools, the total number of participants during the program's 11-year history exceeds 400,000.

On March 2, students will be taking a United Nations test. The students will be given a hit in which to study from and also the United Nations Charter that is available in the school library.

LADYWOOD LORE
By Mary Rzemlik

Frances Baker, senior, has been named the 1965 Betty Crocker Homemaker of Tomorrow. She scored highest in a written homemaking examination taken by the seniors Dec. 1. Frances is now eligible for state and national honors.

The state's highest ranking girl will receive a \$1,500 scholarship from General Mills, Inc. Janet Bell also a senior, has been awarded a \$400 scholarship the U of D where she plans to major in history.

Over her four years at Ladywood, Janet has been most active. At present she heads the school's Model United Nations. She will lead the Argentina delegation at the MUN general assembly at U of D in April. Besides her "history interests," Janet is also engaged in a year book editor for this year's book.

CELEBRATE BYZANTINE RITE

Ladywoodians participated in the Byzantine Rite Divine Liturgy this morning. For most of the students this was the answer to

the Vatican Council's plea to know one another. Actually, the Byzantine Rite and the Latin Rite (the traditional Catholic Church) are hand-in-glove. Teachings are the same, but some of the ceremonies attached to the sacred function differ.

One of the basic differences that the girls shared this morning was the reception of the Sacred Species (the Body and Blood of Christ) under two forms, bread and wine, while in the Latin Rite Communion is received under only one form, the unleavened bread.

Celebrant at today's Mass was the Rev. Myron Hornyak of Sacred Heart Byzantine Church, Redford Twp.

CANDY DRIVE SUCCESS
The candy drive just completed was a success. The net proceeds resulted in the purchase of 500 new books. Top salesmen in the drive were freshmen Regina Neumaier, Janet Lawrence and Jan Marzoni. The freshmen were also the highest selling classrooms in the school.

The National prize is a \$800 scholarship or to travel Europe. The runner-up will receive a \$400 scholarship or travel the United States.

The following people have signed up for the test: 9th grade, Art Mestel, Richard Stern, Joel Siegal, Charles Water, Cindy Van Zant, Neil Fellerand, Loris D'Orazio, Alan Oling, Sonia Soma, Mary Ann Aldridge, Bernice Kent, Marla Munkin, Jerry Gruff, David Stiffes, Esther Robinson, Gary Rospecki, Linda Oddy, Sharon Lynn, Ellen Beerberg, Greg Matkovich, John Hifve, Janet Hankins, Larry Tougas, Bob Tora and Gary Seckman.

Accents From St. Agatha Hi

By Mary Lou Manroff
Several members of the Sodality attended the Training School of Sodality Action at the University of Detroit last Saturday.

The program consisted of a welcome by Reverend Robert Borroughs, Archdiocesan Sodality Director, classroom workshops, circle discussions, addresses, and a closing speech by General Chairman of TSSA, Ms. Leonard Daley, a U. of D. student.

In the evening the Sodality enjoyed a Hottentoty and rock hop. Of the 25 St. Agatha girls who attended, three were recommended as discussion leaders. There was also a program for moderators and spiritual directors, which Sister Charles Thomas, Sister John Edward, and Father Varty attended.

COMPETITION BETWEEN JUNIORS AND SENIORS was sparked by the junior boys' challenge to their upperclassmen — a basketball game on Sunday, January 31.

The boys promised a spell-binding game and — for the winner — an original trophy, brimful of the shop class.

Between their Roman colosseums for black and white striped referees' shirts were Fathers O'Leary and Varty.

Noting that the juniors are pro-life, the seniors are pro-choice, Father Grace Eather was coaxed.

THURSDAY NOON the junior Y.C.S. sponsored a sloppy

Joe lunch. Besides being a well-attended switch from cold sandwiches, the project was a financial success, netting a profit of \$32.

IN PREVIOUS years St. Agatha's has taken only a passing interest in the Genesee Festival, an interpretive reading competition.

With the advent of speech class, however, the school has become more concerned with the contest. In order to illustrate to the students the techniques required to be a winner, the 1964 contest.

Agatha's invited five Genesee High School to demonstrate interpretive reading skills.

The girls were: Jeanne Znda (narrative poetry), Mary Ann McDonald (serious prose), Cheryl Leibold (dramatic interpretation), Sue LeGarde (lyric poetry), and Theresa Gurnaski (Shakespeare). All five demonstrated a multiple.

Franklin's second semester began Monday and it signified that half of the school year had already flown by. In preparation for next year's schedule, counselors will be calling all Sophomores and Juniors in for appointments this month. It would be a good idea if students began to think of the classes they want to take next year as long as they remember that they must have 13 credits to graduate; six of these units are required courses. One year of physical education, one semester of some kind of social study, one year of U. S. History, and three years of English are required if students want their diplomas.

Junior who want to take the National Merit Scholarship Qualifying Test must still register in the eleventh grade counseling office, if they haven't yet; deadline for all registration is February 5 and \$1.50 fee must accompany registration. The N.M.S.Q.T. will be given in Franklin High School on Saturday, March 13 at 8:30 a.m. Through this Merit Program other concerns than the National Merit Scholarship Corporation give out awards; business corporations, individuals, colleges, and the like will also award scholarships. Awards given on the grounds of intellectual skill and merit, but each student's financial need will determine the amount the scholarship will be worth.

ATTENTION ALL GIRLS: Franklin's first March Grasp is still seventeen short days away and if you haven't asked that

Witty posters, urging students to purchase the Saga, stared from every nook and cranny of our hallowed halls. Orders and deposits, flooding the staff until the final order-day—Tuesday, January 19—encouraged them that their labor is not in vain.

Five or six tests in three days that cover half of a semester of school work can put a strain and tension on the nerves of any student. To relieve Bentley students from this nervous tension the medicine prescribed was a night of relaxation and fun. Of course this evening was planned and took place at Bentley. The occasion was a basketball game and a sock hop which followed it.

The two games played highlighted an enjoyable evening. The first game consisted of a team of what vaguely looked like senior girls such as Sandy White, Diane Barnes, Carol Frances, Joan Barnes, Lynn Zimmerman, Denise Mackay, Diane Jones, Gilly Carmichael, and Mardel Winston. The teachers who really kept them together and scored a few more points than the girls were Miss Meyer, Miss Darle, Mrs. Peard, Miss Plak, and Miss Olson.

When the girls had finished their game, the senior boys and a choice male faculty played a good game of basketball. The referees were really kept on the ball for the game was full of excitement, from beginning to end. Teachers like Mr. Knipchild, Mr. Kremko, Mr. Edwards, Dr. (Fireball) Friedrich, Mr. Bailey, Mr. Wilson, and Mr. Bradley helped the faculty team to victory. The senior boys who played against these teachers gave the men a not-so-easy time.

No basketball game is complete without its cheerleaders, no matter what the circumstances for everybody likes to cheer along. The two cheerleaders who led students in many new cheers were Mr. Webster and Mr. Peard. Their tremendous skills in leading cheers and unique ways of doing stunts, the crowd enjoyed a big laugh.

The seniors also needed cheerleaders and they were equipped with eight fine-looking boys. These boys dressed in unusual but attention-getting outfits were full of surprises. Cheerleaders for the Senior Faculty game were Dick Parkins, Fred Ellwell, Ken Kox, John Plumley, Gary Grey, Phil Maynard, Mike Hickox, and Brian

Stephens. The middle of March seems a long way away. But this is not so for members of the modern dance and Drum and Sandal clubs. Their annual show for this year is under way and a top notch performance is expected to turn out. The show is entitled, Drum and Sandal Presents, and will contain 11 different numbers. One jazz number will be performed and the four girls dancing will be Cheryl Cohen, Karen Thomas, Mardel Winston, and Beverly Betasco. Other numbers will be in forms of folk dancing, bowling, democracy, and many more. A take off on the Road Not Taken will also be acted out.

Before Christmas the girls had been doing dance exercises and had a candy apple drive for money to buy costumes and props. Now the two clubs are rehearsing for their big night.
