

OPENING the new Farrell Roberts for Senate Office with a Press conference on Saturday are (l-r) Norm Skeirik, Farmington City Coordinator for the Republican Party; candidate Farrell Roberts; and Chuck Stevenson, coordinator for Farmington Township.

## Farrell Roberts Opens Farmington Headquarters

By JERRY WENDT  
Farrell Roberts, a candidate for the State Senate, 14th District, on the Republican ticket, opened his headquarters, Saturday, Feb. 6. It is located in the former Republican headquarters on Grand River, in the City of Farmington.

A press conference was held at 10 a.m. Saturday. Present with Roberts were campaign manager Carl Pursell, and the coordinators for the Republican

## Name Pender Manager At Fisher Plant

The appointment of Paul D. Pender to the position of plant manager of the Fisher Body Livonia plant was announced by Robert H. Gashman, vice president of General Motors and general manager of Fisher Body Division.

Pender is replacing R. Gordon Spear who is retiring under

provisions of the General Motors Retirement Program.

Pender attended high school in Cleveland, O. He started with Fisher Body in August 1943 as a General Motors Institute student-in-training at the Cleveland Fisher Body plant.

Following graduation in 1950, Pender was assigned to the Cleveland plant as senior clerk. He was promoted to process engineer in 1952 and later that year was named senior process engineer.

In 1954, Pender was transferred to the Livonia plant and was named supervisor of production engineering. There followed a series of promotions to shift plant superintendent in 1958, plant superintendent in 1960, and production manager in 1963 where he has served until named for his most recent promotion.

He is married and lives with his wife and three children at 19044 Whitty in Livonia.

## Plan Math Meetings for Cville Staff

The Clarenceville elementary staff has been and will be involved in arithmetic meetings at the Botsford Elementary School. February 2 saw the first grade teachers gather, while the second and third grade teachers met on February 9. The February 15 meeting will be primarily for fourth grade teachers. All other elementary staff members are invited.

At each of these meetings, areas of arithmetic will be discussed, demonstrated and reviewed. Both regular teachers and specialist will take part in these programs designed to help the classroom teacher present a better arithmetic program.

These meetings will take place after school and thus early dismissal of students will not be necessary. This is another part of the inservice training programs offered to the Clarenceville teaching staff.

DEANNA NASH, daughter of Mr. and Mrs. DeWayne Nash, 2020 Rush, Garden City, will be a summer member of the Youth Caravans of the Lutheran Church in America this year. A member of Livonia's Christ the King Lutheran Church, she is president of the congregation's youth group. The Caravans will travel throughout the U.S. to organize new youth groups.

Here Are Just 5 Reasons Why

More lawns are mowed with Craftsman mowers than any other

1. Safer key-lock no-pull starter with heavy spring for easy starts
2. All controls mounted on deluxe style tubular steel handle
3. Seven heights-of-cut from 1-in. to 3 1/2-in. Ex. 1.75 rubber tires
4. Big 3 1/2-H.P. 4-cycle Craftsman engine... power for easier cutting
5. Lightweight magnesium housing is lighter than aluminum
