P-A Theater Offers Treat To Music Lovers

Acting on the theory that music lovers in the Plymouth-Livonia-Northville-Farmington-Wayne-Garden City area would appreciate again viewing some of the great musicals of Jeanette MacDonald and Nelson Eddy, the Plymouth Art Theater on Penman Ave. will bring back "Sweethearts" for a special three-day showing, Feb. 28 through March 2.

Stewart Dodge, new manager of the theater, also will present "The Student Prince," which features the late Mario Lanza, in the second half of the double bill. Both are in color.

"We feel this area has many culture minded movie lovers who will appreciate seeing these favorites again," said Dodge. "Especially in view of the death of Miss MacDonald a few weeks ago."

The theater management will offer a special bargain price during the three days to area high school students and is making an effort to have as many band, orchestra and choir groups as possible attend. All students will be admitted for the special price of 50 cents on all three days, including Sunday.

The box office opens at 3:30 p.m. daily. "Sweethearts" is considered one of the best MacDonald-Eddy films and has been held in high esteem by music lovers throughout the world since it was first shown back in 1937.
