

Ten Mile PTA Stages Banquet

Nearly 500 turned out to enjoy the recent pancake supper which was sponsored by the 10 Mile PTA. The supper replaced the regular February meeting. The room having the highest parent membership went to Mrs. Galloway's fifth grade. Ice cream was served to the children on Feb. 11, as a prize for their effort in getting their parents to join PTA.

The PTA council is sponsoring flouride treatments again this year. The hygienist will be at 10 Mile School starting on March 10 and will continue through March 24. Grades kindergarten, second and fifth will participate in the program. The flouride treatment consists of cleaning the teeth and then four separate flouride applications. There is a fee of \$3 per patient.

Lunch is furnished to the volunteer help. Mrs. Gloria Perkins, 10 Mile PTA Health Chairman is in charge. If you wish to help please contact her at 474-5432.

The next regular meeting of the 10 Mile PTA will be held March 15. A spring concert is being planned.

LEADERS of the newly formed Farmington Citizens League, John Hatfield (left), and Harris Berger, discuss their future plans. The group, says Hatfield, will continue to develop and present accurate and essential information to the voters, on all issues. We believe that a non-partisan group is in the best position to act in this capacity.

New Group Will Meet in Farmington

A general meeting for the newly formed parent-teacher-student group at East Junior High School has been set for March 8 at 8 p.m. at the school. A slate of officers will be presented by a nominating committee composed of Mrs. Fred Ebers, Roy Danley and Mrs. Samuel Braunstein. In addition to the constitution and by-laws will be presented for approval. Radio personality Elliott Field, called man of a million voices at WJR, will be guest speaker. Fields also is the voice behind some of the Flintstones. The parent-teacher group at East Junior High is unique in that students will be a part of it. At some meetings they will be invited to attend with their parents. At other meetings, representatives from the student body rather than all students will be invited.

At the coming general meeting at East Junior High students may attend, but they must be accompanied by their parents. Also, parents of sixth graders who will be attending the school next year are invited.

WJR Star to Appear

Elliott Field, "editor-in-chief" of WJR's afternoon radio program, "The Elliott Field Gazette," will be guest speaker at the first meeting of the East Junior High Parent-Teacher Student Council meeting to be held in the new school on Middlebelt at 10 1/2 Mile Road in Farmington, Monday, March 8, at 8 p.m. Field, a multi-voice artist, will do a live, in-person "publication" of his "Elliott Field Gazette," usually heard on WJR radio at 2:10 p.m., Monday through Friday. His Gazette "staff of thousands" includes "Tex," trustworthy production editor, "Tito Roddy," junior executive in charge of advertising, "Alfred Hotchick," in charge of the "morgue" files, and many, many other familiar characters, all operating through the single voice—and a singular talent—of Elliott the Editor.
