Over 100 youngsters participated in the Fishing Derby.

## Fund Drive Saturday for Clarenceville AFS

Clarenceville High School's four applicants to the American Field Service are still in the running.

## North Central OKs C'ville Accreditation

The Clarenceville School District has received information from Mr. G. Sutherland Hayden, Chairman of the Michigan State Committee, North Central Association of Colleges and Secondary Schools, that the Clarenceville High School has once again been placed on the list of approved schools for the 1964-65 school year. This action was taken at the Association's annual meeting held in Chicago on March 29-April 1.

By receiving accreditation from this Association, the community is assured of a high standard of education being offered to the senior high school students. Action of this nature takes place only after a study of the facilities, program, and qualification of the staff is completed by the Association. Once approved, the school is listed as having a program comparable to that of any of the listed high schools served throughout the nineteen states of the North Central Association.

This is the eighth year that the Clarenceville High School has been placed on the approved list. "The staff and administration of the Clarenceville School District will continue to work toward providing our children with the best possible facilities, programs, and staff," said Mr. Louis E. Schmidt, Superintendent. "We are proud to have this recognition and to assure the people of our continued effort toward the better education of children."
