If you really take pride in your lawn,
then Prenium Thrive is for you.

The professionals' choice, Premium
Thrive is exactly what it says, a premium
Product—it contains more soil nutrients
than any other plant food made. Thriven
different ingredient guaranteed, right on
the bag. Unlike other fertilizers, Premium
Thrive contains no filler whetver; overything in the bag is there to make grass
grow. (Actually, when you measure
results, Premium Thrive is the most
conomical lawn food you can buy.)

Another plus: Premium Thrive releases lawn-building nitrogen in two stages-first, an immediate boost—then, a slow re-clease supply that nourishes your lawn well through the season. Your lawn becomes through the sesson. Your lawn becomes literally "like a carpet," walk across it and your footprints spring right back! That's Premium Thrive; costs a little more but worth it. Bag covers 5000 square feet. Not quite so tusy about your lawn? Then set for Thrive Regular. Low cost, lightweight, easy spreading—for those who "want a good, serviceshie lawn."
