CURTAIN

Good comedy usually contains an element of plausibility and sympathetic character development. "Any Wednesday" illustrates his academic point in a hilardous manner. The Fisher Theater scores for a second time this season with a witty entertaining comedy that has audiences resetting mirrhhilly all evening.

comedy that has audiences react The storyline of "Any Wednes-So day" depends on the relation-ship of a wealthy industrialts, his mistresses, a visiting owner (Cass Henderson, anent) sound the anything too special. True. This triangle approach to a comic situation has been tried thousands of times.

This triangle approach to a comic situation has been tried thousands of times. What is the difference then with "Any Wednesday." Mariel Result, the brillant author, has infused her age-old plot with four lovable characters. You get to know Ellen Rodgers, the mixed-up mistress. Her adulterous relationship with John Gutter and the state of the

Apprentice Opening atNorthland

Kenneth E. Schwartz, Northland Playhouse producer, ready-ing for the start of the 10th Anniversary Season, today an-nounced that the Playhouse will be able to accommodate 20 apprentices in its program this

"We will conduct a 12-week course of instruction in the history and development of the theatre," said Schwartz, "which will include practical experience in stagecraft. For those interested in acting," Schwartz added, "every effort will be made to give them an opportunity to appear before the audience."

the audience."

There will be no charge to apprentices accepted for the program, Schwartz pointed out, and each applicant will be interviewed personally by him. While there is no maximum ago limit for apprentices, applicants must have attained a minimum age of 10 and be at least high school school school.
