Marygrove Sends Four Overseas for Study

Four members of the Marygrove College faculty soon will leave Detroit for three months' study in foreign lands of their own choosing.

The opportunity for foreign study is unique in U.S. educational circles. Funds for the venture come from a so-called Faculty Studies Abroad Fund, created in 1952 by the Marygrove Dads Club.

All four of the nuns chosen to travel under the program this summer are veterans of the H.M. Order and are popular with the student body. They are the fourth group of four nuns to participate in the venture, which is designed to encompass the entire religious teaching staff over a 10 year period.

Sr. Jane Mary, assistant to the president and head of Marygrove's education department, will journey to

Training Course Grad

Good Second Class Howard D. Goodman, grandson of Mrs. Linzie B. Good, 31725 Brown, Garden City, has been graduated from the technical training course for U. S. Air Force missile propulsion systems specialists at Sheppard AFB, Tex. The airman is a graduate of Garden City High School.

STARTING OUT RIGHT

In Port Huron, Michigan, parents of children attending school for the first time and parents who have moved into a new school district get reassuring assistance from the schools about planning the safest routes for their children to travel to school. Parents receive a form jointly developed by the schools and other safety-minded organizations to prevent accidents among school children. On one side of the sheet of paper is a letter explaining the form from the classroom teacher to the parents. On the reverse side is a street map and a list of intersections which have various types of protection for school children.
