

Mothers Get Ready to March for Muscular Dystrophy Drive

A marching force of Livonia and Plymouth mothers will be going ringling doorbells at 7 p.m. Tuesday evening, June 8, throughout these areas in a door to door fund raising campaign to benefit the Wayne County Chapter of the Muscular Dystrophy Association.

The chairman in Livonia is Mrs. Annette Williams, 9925 Hubbard assisted by Area Leaders Mrs. June Lundy, 14021 Stone House, Mrs. T. R. Flynn, 8856 Harvey, Mrs. Kitty Vanderford, 14748 Ingram and Mrs. Jennie Skog, 32314 Maryland.

The Co-Chairmen in Plymouth are Mrs. Elaine Johnson, 11704 Russell and Mrs. Eleanor Oliver, 9038 Marlowe. These ladies are assisted by Area Leaders Mrs. Kenneth Weage, 750 Sunset and Mrs. William Crowther, 265 Arthur.

These zone and area chairmen together have a marching force of over 250 block workers who hope to visit every home in Livonia and Plymouth sometime Tuesday evening.

Brian Hughes, 12, of 34023 Britany Dr., Farmington, is one of the 414 poster boys for Livonia.

In Garden City, Nankin Township and Redford Township, MD drives are also taking place. MD chairman in Redford Township is Mrs. Sue Horwitz and area leaders include Mrs. David Reid, Mrs. Wm. Dalsus, Mrs. Millie Montgomery, Mrs. Helen Griffin, Mrs. Marie Corti, Mrs. Gladys Zahatsky, Mrs. Ervin Weiss, Mrs. Fred Atiyak, Mrs. Janet Sharp, Mrs. D. Banford, Mrs. V. Graves and Mrs. Gerald Hunsacker.

A substantial percentage of all contributions to this year's campaign will be directed to the Institute of Muscle Disease, located in New York City, where a research program is carried on daily in an effort to find a cure for this dreaded germ that the society takes the lives of hundreds of children. Up to now there has been no cure, prevention or effective treatment discovered for Muscular Dystrophy. The Muscular Dystrophy Associations of America hopes its all out scientific research program will find the answer in time to save those now stricken.

The local M.D. chapter furnishes, without charge to the family, wheelchairs, lifts, braces and clinical treatment for anyone in this area affected by the disease. The Muscular Dystrophy Clinic in Detroit's Memorial Hospital is under the direction of Dr. Max Karl Newman, nationally known authority on physical medicine and a specialist in the Muscular Dystrophy field.

As a result of this fund raising campaign, some three hundred children suffering from Muscular Dystrophy in the Tri-County area of Wayne, Oakland and Macomb are afforded a ten day summer camp vacation at Camp Rankin in Lexington, Michigan. Any child suffering from Muscular Dystrophy, regardless of the stage of the disease, can avail themselves of this vacation for the asking. A normal teenage child volunteers as his or her shadow day and night during the ten day vacation period. In this way even those youngsters who are unable to walk or feed themselves can still enjoy a ten day vacation.
