School Calendar

A tough court case was predicted Monday night by Nankin Township Attorney John Nellis in the township's battle to prevent developers from removing sand from the site of a proposed 25-acre lake west of John Glenn High School.

Nellis said a pre-trial date has been set for July 2 with a trial date to follow on July 19. In answer to a question that the second proposed 19. In answer to a question by the township. Treasure that the total control of the township. Treasure that we will be to the end because of its importance."

Nellis will try to secure an estimate of costs and was granted the assistance of another attorney, Michael Barry, because of the load he is now control to the secure of the load he is now control to the secure of the load he is now control to the load he is n
