eyes ilway from the TV. We see it all the time in games involving Little Leaguers in particular. Managers and ocaches . . and parents ... scream at umpires: "We're going to protest." A decision on the calling of a ball or strike ... a safe or out ... a fair ball or foul ball ... has disturbed the partisans. Protesting such verdicts are a waste of time and energy. The rule book specifies that the only time you can protest is when an umpire misinterprets a rule. Balls and strikes ... foul or fair balls ... safe or ott... come under the calegory of judgment calls. When judgment is involved 1/2. there can be no protest. Kanass City Mariger Hayward Sullivan found it against the Tigers 4 few weeks back. He argued over whether the ball was held long enough by hit shortstop. The umps said 'no'. The league president backed up the men in blue. It's the same on the sandlots.
