

MR. AND MRS. DANIEL FUHRMAN

Fuhrmans Feted on Anniversary

Mr. and Mrs. Daniel Fuhrman of Livonia were honored on their golden wedding anniversary June 27 at an open house given by their daughters.

The Fuhrmans, who have lived in Livonia since 1921, were married June 29, 1915 in Trenton, Michigan.

Their daughters are Mrs. Ralph (Annabelle) Graham and Mrs. John E. (Patricia) Clemens. The Fuhrmans have three grandchildren.

One hundred and thirty friends and relatives attended the open house at the IAW Hall on Plymouth Rd.

50 Students Attend Cancer Orientation

"Medicine is not intended to give immortality, but to allow one to live effectively and to die with dignity."

Fifty youngsters from Wayne, Oakland, Macomb and Monroe counties high schools awarded summer scholarships for outstanding ability and interest in science by the Michigan Cancer Foundation, Monday pondered these words spoken by Dr. Michael J. Brennan at an orientation meeting held at the Cancer Center. The course, beginning this week, will continue for nine weeks.

Dr. Brennan, Physician-in-Charge, Oncology Division at Henry Ford Hospital, spoke of

GOLDEN AGE members approve the plans of the new 60-bed convalescent home on the corner of Grand River and Gill Roads, Farmington. Co-owners of the modern, new home are Dr. Edward Blumberg and Mr. and Mrs. Kenneth Maas who presently operate Fine Convalescent Home.

John Allen of Farmington is the architect for the \$250,000 dwelling. (l-r) Jane Estep, Mabel Shelburn, Lillian Goodwin, Mabel Burgess, Dr. Edwin Blumberg, Eva Ross, Mr. and Mrs. Kenneth Maas. Seated is Norma Dowd.

the progress being made in cancer research today as a "not too hopeful picture." He said one of the major difficulties lies in the fact that experimentation with animals gives only a partial picture—an imperfect model—in the search for a cure for human cancer. In order to succeed, he said, it is necessary to experiment with human cancer. One of the big drawbacks in animal research, he pointed out, lies in two factors: One, it is deliberately induced in the experimental animal, and secondly, cancer usually develops in a person past middle age who hasn't the natural reclusiveness of a young experimenter animal which has been subjected to cancer.

He admonished the young scholarship winners not to think of careers in science only in terms of laboratories and test tubes.

"It is equally important," he said, "to study disease from a psychological and sociological standpoint too, considering the effect of the disease on the patient and on members of his family."

A panel discussion of the program to be carried out this summer was conducted by the biology teachers who will be in charge: Alex Mercer, Redford High School; Arnold Lockett, Denby High; Willis Blossom, Emerson Junior High in Livonia; Gerald Pilipak, Wyandotte High; Sister Ann Margaret, IHM, Marian High School in Birmingham and Leonard Drawing, Cousino High in Mt. Clemens.

INSTALLED AT HAVEN HILL were officers and her civic improvement committee did the of the Livonia Branch of Women's National Farm and Garden Association. Mrs. Joseph R. Wisland, past president and Mr. and Mrs. Lloyd Sprinkle presented a program of Michigan and commentary on the birds of Michigan. (l-r) Mrs. Clarence Hoelt, recording secretary; Mrs. Omer Van Gorp, 1st vice president (site

Senior Citizens Hear of Investments

We want to say "thank you so much" to Mr. and Mrs. Ed Ed-Edwin for taking us with them on that interesting trip through the western states. Those "off the beaten path" scenes were breathtaking.

recently at the Rosedale Presbyterian Church parlors. We learned what makes a good investment and if Senior Citizens should invest.

Wayne State's tennis team has lost the Presidents' Athletic Conference title only once in the ten years of conference competition.
