istry and Has Degrees From Many Universities in Ammerica and Abroad. It is semi-officially announced in

Mushington that Dr. Henry Van Dyke, the noted literary light of Princeton, has been selected by President Wilson

the motel literary lags of "rancoons has been selected by Fresident Wilson as minister to the Neutenhard and the selected by Fresident Wilson as minister to the Neutenhard Selected by the Se

May Not Grant New Rights. May Not Grant New Rights.

That the war department has no authority to extend water power privileges at Niksarta Falls or grant new rights to power companies is the position that Brigadier-General William H. Bisby, chief of engineers, took in a conference with Representative William G. Sharp, of Ohio, ranking member of the house committee on foreign affairs. The chief of engineers also expressed his opinion that the expiration, of the Buston act left the power concerns at the Falls without any guarantee or license by which they could continue to use the water at the falls.

Fall:

Prof. Ford for the Philippines.

President Wilson has decided on Prof. Henry Jones Ford, of Princetony for commissionerseneral of the Philippine Islands. The appointment is expected to be announced soon. The administration plan is to make the Philippines bent the central point from which all Orlental diplomacy shall be controled. When necessity may arise, the commissioner-general with bethe appeals envisor the Wilson administration to any of the far east error countries bringing a diplomatic question to this country.

Lumber Jack Kills Two Deputies. Lumber Jack Kills Two Deputies.
Deputy Sherifi Alfred Scribber and
James Sutton of Brimley, were shot on and killed today by Joseph Tovens, a
Russlan humber jack, whom they had a
rerested for stabbling Joe Teeple, an
Indian, in a fight at Brimley. Tovens
was found in a lumber camp near
Wellsburg and had handcuffs placeded
on him, but he succeeded in freeling
one hand and drawing a revolver from
his poket shot both his cantone. Tohis pocket shot both his captors. To vens then made his escape.

Weil Known Newspaper Man Dead.
Charles Montrose Faye, for It years
unanging editor of the Chicago Daily
News, and one of the best known
newspaper men in the middle west,
is dead from filness resulting from
too close attention to his work.
Mr. Faye was born in New York.
He started in newspaper work as an
office boy in Horace Greeley's office.
He took his employer's advice—
"young man, go west"—and left New
York while still a boy.

English Statesman is Dead.

The Right Hon. George Wyndham, of London, a member of parliament and ex-secretary of state of Ireland, died suddenly in Parls. He was 50 ears old.

He served in the Coldstream guards

in the Sualilm campaign and was once secretary to ex-Premier A. J. Ballour. He also was a director of the London, Chatham and Dover rail-

Would Seek American Bride.
Washington boolety will learn with
interest that the Duke d'Alba is moving heaven and earth to induce his
cousin, King Alfonso, to rend him to
America as ambassador. The duke
is a nephew of Empress Fuyenie. It
is reported the duke would not be
averse to finding an American bride.
The queen mother and the Spanish
ministers are said to disapprove of his
appointment. Would Seek American Bride.

The proposition to bond the city, of Benton Harbor for \$100,000 for water works extensions was carried at a
