

New North Livonia Co-op Nursery Open to All Pupils from All Communities

Plans for the newly organized North Livonia Cooperative Nursery School are proceeding full speed ahead.

A special meeting for the election of officers was held July 12 at the home of Mrs. Micki

MARY LOU WHELAN

Mr. and Mrs. William N. Whelan, Jr., New Bedford, Mass. announce the engagement of their daughter Mary Lou to Alvey R. Smith, Jr., Petty Officer 3rd Class, U.S. Navy, son of Mrs. James Pijer of Floral Avenue, Livonia and the late Alvey R. Smith, Sr.

Mrs. Whelan is a graduate of Holy Family High School and Kinoy's Business College.

Smith is an alumnus of Clarenceville High School and is in the Navy stationed aboard the USS Yosemite in Newport, Rhode Island.

Fruit Gift Will Appeal To Everyone

Lawrence Mayer, Farmington florist, believes that he has found the solution to many difficult problems. For example, what to send a man who is hospitalized, a sympathy gift for a family, someone who is convalescing but on a strict diet. Mayer has taken a dealership for the Gift-of-Fruit.

These items are loaded with eye appeal. Luscious looking fruits are temptingly arranged in glamorous plastic and glass containers and topped with an

elegant bow. (We loved the outsize brandy glass snifter which could be used for green plants later.)

The containers can all be put to good use afterwards. Cookie jars, baskets for knitting and sewing, candy boxes, are just a few of the ways in which they can be used. Cheeses, assorted candies, and bottles of beverage can be added to the GIFT-of-Fruit. Each one of these containers comes with a bottle of fruit beverage concealed inside. (Apple cider, etc.). 12 season fruits are chosen, and are selected according to top size and color.

There is virtually no end to the list of occasions when this gift would be most welcome. Holidays, housewarming, etc. What a wonderful way to insure a repeat invitation when sent as a thank and better gift to a gracious host (and hostess)! Call 474-2800 and get more details from Mayer.

MAXWELL M. MALTZ, M.D., F.I.C.S., will discuss "How to Stand Up Under Stress" July 27 at 8 p.m. at Bentley High School. A well known plastic surgeon, Dr. Maltz is author of the book "Psycho-Cybernetics" and "The Magic Power of Self-Image Psychology." Dr. Maltz is being brought to Livonia under the sponsorship of Diane Beam, Minister of the Unity of West Suburbia Church.

Huyksen. The slate reads as follows: president, Mrs. Micki Huyksen; vice-president, Mrs. Sandra Burk; corresponding secretary, Mrs. Nancy Tuttle; recording secretary, Mrs. Diane Orendach; treasurer, Mrs. Nancy Fashby; newsletter editor, Mrs. Shirley Odess; council delegate, Mrs. Mitze Pickett; and librarian, Mrs. Karen Moore.

A cooperative nursery is a non-profit organization with the goal of bridging the gap between the home and elementary school. Each half-way session is taught by a qualified teacher and assisted by mothers. Administrative functions are also handled by parents, thus cutting the expense.
