

Prep Gridders Plunge into Drills on Monday

Summer vacation has ended for the area's high school football players.

Or it will next Monday. That's when the preps meet their coaches and start official practices for the 1965 season which begins on Sept. 17.

Upwards of 1,800 preps in the area will answer the calls to drill.

When classes were dismissed in June, there were 12 high schools in the area.

Now there'll be 13. The new addition is the third high school in Livonia, named Stevenson High.

Four of the schools will have new coaches. One of them, of course, is Stevenson High where Jack Reardon will be in charge after assisting at Bentley High for the last few years.

Stevenson won't field a full-fledged varsity in 1965. They'll have only tenth graders in this first year. The other new coaches will be John McFall at Plymouth, Dick Tyler at Farmington and John Trellay at St. Agatha High.

McFall replaced Mike Hoben, who stepped out of guiding the Plymouth Rocks after the 1964 season to become an administrative official at Plymouth High.

Tyler was moved up from assistant to take the place of Jack Hayes, who resigned unexpectedly to take a college coaching job.

Trellay moves in at St. Agatha to fill the shoes of Dave Brazil who has taken a similar spot at Benedictine High in Detroit. Brazil led St. Agatha to an unbeaten season and its first championship in 1964.

School-by-school, here's what is on tap during the next few days for the footballers:

BENTLEY
COACH—Larry Joiner. He has sent letters to 100 candidates who are to visit their private doctors for physical examinations. Uniforms will be distributed at the school on Friday. Joiner faces a rebuilding job with only eight leftmen returning. He has some fine candidates up from the reserve team. Plans to build a line around Ends Ken Bauman and Mike DeGutis. In the backfield, Bob Emsner, is the key performer.

Gals to Engage in 'Star' Game

An all-star women's softball game between Ypsilanti's league champs and the best from the Farmington, Taylor, Lansing and Detroit teams will be played at the Farmington City Park next Wednesday at 8 p.m.

Confidence carries the man to the field, but overconfidence sometimes causes wild aim.

FRANKLIN
COACH—Bob Bentley. Players must take own physicals and report ready for work Monday morning. Uniforms already issued. Eighty players are due Monday as Bentley hopes to form a team which will duplicate last year's perfect 9-0 record and a Northwest League championship. Entire starting backfield is gone, but line should be strong again with such veterans back as Center Mike Stachurski, Guard Bill Bauer, Tackles Fred Silver and Larry Brennan and Ends Cal Luttinen and J. D. Saven. Some fine talent for the backfield is led by Quarterbacks Gary Birkett and Dave Kosteva. First drill Monday is set for 9 a.m.

St. Agatha New Coach 'Old' One

Meet John Trellay, the new football coach at St. Agatha high school.

He's a man of experience. St. Agatha, in hunting for a successor to Dave Brazil who has become new coach at Benedictine High in Detroit, couldn't have found a better man.

He's no novice at coaching.

He has served at such schools as Servite, Wayne St. Mary's and Wyandotte St. Carmel in head coaching roles. Also he coached for a period at Bay City Visitation.

Trellay was out of coaching a year ago. Other duties had prevented him from handling a team.

"It was eager to get back into the game," he said. "I heard about St. Agatha and inquired. 'Going there makes me very happy indeed. I like the setup and the kids who attend the school.'"

Trellay will have his work cut out. He replaces a man in Brazil who never held a losing record in five years at St. Agatha.

The 1964 team, of course, was the school's best in history—winning six and tying one—and winning the divisional title.

DRC Opens Clubhouse With Near Record Handle

The second phase of a history-making meeting is underway at the Detroit Race Course.

Off to the first start in its 17 years of operation in Livonia, the DRC now moves into the second month of its 84-day meeting with the greatly expanded facilities of its new \$3,000,000 clubhouse available to the fans.

The crowd for the grand opening of the clubhouse was 22,188 and it wagged \$1,566,042. This was the second highest must-handle in the track's history. It was topped only by the wagging total of \$1,628,000 Labor Day.

On the opening of the new clubhouse, Dale Shaffer, President of the DRC said: "This is the fulfillment of a dream for me. I hope, in a sense, it also is the fulfillment of a dream for racing fans of Michigan. Racing in Michigan has made amazing strides and I am confident it will continue to grow. We have geared our operation and our facilities to meet that growth."

RAYMOND DOUBLE WILL PAY \$11,242

FUND FAREWELL: Take a good look at this 'tote' board picture for it is now part of Michigan's racing history. It shows the possible payouts on the final Twin Double race at the Detroit Race Course. Note closely No. 8 (County Chairman) if he had won would have returned one backer \$112,424. As it was six fans each collected \$18,737 on the final Twin Double races. The Twin Double wagering has been discontinued by directive of Racing Commissioner Jerry Beaman.

COACH—Jack Reardon. He's a former assistant at Bentley High. He'll have only tenth graders with whom to work. Team will play mostly reserve units from other schools. It will be 1967 before the school has 12th graders on its team. Plans call for Stevenson High joining a league perhaps in time for winter sports... or by spring of 1966.

CLARENCEVILLE
COACH—Ralph Temby. Physicals set for 1 p.m. Saturday. Uniform distribution will follow with first practice Monday at 8 a.m. Cross country as (Continued on Next Sports Page)
