GUARANTEED you can find something to spruce up your bath or powder room at the new Bathroom Boutique in Wards of Wonderland. There are decorator colors and ideas to inspire every homemaker's imagination.

New Bath Boutique Opens In Wards of Wonderland

We made a find this week that will not only appeal to the interior decorator in you, but will bring out talent in this direction that you probably never knew you had.

The place is the brand new, and most elegant, Bathroom Boutique Department at Wards of Wonderland.

Fabulous, magnificent, are words which describe it—the colors, the items, the combinations of material is as new as next month's Better Homes magazine.

So often the urge to redecorate inspires you as far as the new paint and interesting wall paper. But the entire room, despite your new walls, goes back to the flat old bath or powder room because accessorizing has not kept pace with new color schemes and ideas.

It's all different now ladies. In this department on the second floor of Wards they have brought in 12 brand new shades—orange, hot pink, coin gold,

chapel green, cactus—they come in the pink and the orange, the blue and the cactus.

Everything is coordinated and it is appropriately named Age of Elegance line—Thank goodness the age of elegance is catching up to the bathroom at last.

In addition to paper mache spray can covers (like graceful ladies) soap trees, towel holders, soap dishes, tooth brush holders, and many other accessories, they have luxurious shower curtain sets completely coordinated in color—and to trim them or use in a thousand different ways are heads—picture them in emerald green on a blue velvet shower curtain.

James McCoy, manager of the Wards of Wonderland store, is justly proud of his new line which also includes the gold all-leaf hardware. In fact he invites you to browse and enjoy seeing the beautiful items. Manager of the department George freshments will be served.

See You There!

The Plymouth Symphony Women's League Round Robin Bridge Club is starting its fall season. If you are interested in joining, contact Mrs. Fred Sigmon at GL 3-4458 or Mrs. Conrad Kramel at GL 3-4454 before Sept. 1.

Big game hunter Tony Danko's color film will be shown Thursday, Sept. 2, at 7:30 p.m. at Greene Motors, 34501 Plymouth Rd. in Livonia. There will be a display of camcorder and camping equipment. Re-ger of the department George freshments will be served.
