ism" work for you to attain desired goals.

Dr. Malit has been a professor jot Ribine-Surgery and has practiced plastic surgery in many countries. He found early in his currer that all the professor jot Ribine-Surgery and has practiced plastic surgery in many countries. He found early in his currer that all the handicapped by disfigurements, and that there these could be removed by skillful plastic surgery, they still did not succeed in life unless they could change their self-im-sqr.

Joseph Surgery, they still did not succeed in life in the self-im-sqr.

Joseph Surgery, they still did not succeed in life in the sciences of Cyberpedics and years of the sciences of Cyberpedics and Psychology and discovered that man is; a 'goal-striving' being, and has a 'serve-mechanism' built in which can be controlled by his mind to achieve both success' and happiness.

Dr. Malitz thiscovered simple

In his research to find a way to help speak succeed in living. Dr. Maltz combined the selences of Oyberpetics and Psychology and discovered that man is a 'goalstriving' being, and has a 'serve-mechanism built in which can be controlled by his mind to achieve both success' and happiness.

Dr. Maltz discovered simple exercises which shyone can use to change his self-image and to make his serve-mechanism work for him.

SUSAN CAROL HASSE, 18, of Detroit, has been chosen to reign over the fund raining 1965 Cinderella Ball staged annually by the Women's Committee of the AB and Health Society. The ball will be held in the Grand Ball-room of the Sheraton Cadillae Hotel on Oct. 2.
