FLOWERS THAT EXPLODE There are certain kinds of flowers which 'explode" in order to acatter increased about, but these are silent spoleoions brought about every seed-ag time by Nature. For a flower to tetually explode with a detonation hat can be heard a long distance is rule another thing, and a raily. Such an explosion, hower boundant ardenn a Auge of the bouch of bloc-rad a short time see it was the spathe right on a singrat paim tree. This put an early three feet long, and when the explosion occurred it was uuried to a great distance, while the hintered blossoms arose like a cloud of solies moke and covered the top-ol of rust. The excessive drives of the ain from day and a single of the spath. A great since, in the was tinusual, and had actually costed the flower to the polor of rust. The excessive drives of the ain from Sahara, had just low n lover the raim and agitated the formering contents of the spathe. Such explosions are very rare, but several others are record, especially in that part of the word, it is salid rest and received fue domering active as the same manner and from the same cause. QUEER CHARGE OF FRAUD QUEER CHARGE OF FRAUD

QUEER CHARGE OF FRAUD Situping the corps of his mother is ordinary goods, a retired telestaph official nt. Binden, Germany, has to nawer an extraordinary charge of de-triduing the railway authorities. A few weeks ago his mother died at Nice, France, altor expressing a de-sire to be burled in her native hist. White antious to full this just nable to pay the high charge the transport of human high charge the transport of human his price it an large case of the bimedring of the set of the body and the ince as ordinary goods. He himselv made the journey in advance to Emden, and when the corps article to tok it from the station. It on the line as ordinary goods. He himselv made, on the station, it on the lowse of a cousti, where an attempt was made, on the strength of a quite regular death cer-tificate issued at Nice, to induce the doctor to testify that the woman had died in Euron.

FLOWERS THAT EXPLODE

SMALLEST HOUSE IN BRITAIN

Housewires who complain of the lack of space and cupbed accommodation in modern houses would do well to compare their lack with that of the decupant of a little bouse while it is that a gainst the old castle at Conway. In North Wales. This diminutive bouts, while his certainly much lack accommodation is a state only as a little bouse, while his certainly much lack be availed and the smallest in Great frittends. Nor is it used only as a first state on the state of the control of the smallest much lack only as a propertied of a same should be the smallest in the smallest much be and the state of the state of the state of the smallest much be and the state of the
