FOILED AGAIN

Where Pop and Junior hood-winked was in stopping to discuss who should get first turn with the new B-10 tractor.

Meanwhile - Mom moved in!

Everybody wants to join the act when a B-10 joins your family. That's because it's a real tractor - so much fun to run while you get the job done.

Job? Make it! Job! The B-10 can handle dozens of chores for you. If you wish, you can use it for tilling, cultivating, seeding, snow-throwing - just like a farmer buys implements.

Ask your wife if you can use the car to come in and look at a B-10. Better yet, bring her with you!
