Here's the kind of automatic washer quality that pays off

SPEED QUEEN.

NAMED FOR DEPENDABILITY—IN THE HOME—IN THE COIN-OP LAUNDRIES.

Most washers do a fairly good job of washing. The big difference is DEPENDABILITY: repair bills . . . service calls . . . years of service. Speed Queen automatics have special dependability features which assure low upkeep cost long after the regular guarantee period expires. And that's the real pay-off.
