the opposite direction retitionaria.

This area was all farmland then. Now we have schools, new homes and some factories. The conditions of the road hadn't improved much in recent years, it was not uncommon for parents and teachers diving to Merriman between Six and Seven Mile, to become stuck. In wintertime, ley conditions made access impossible and times. A couple of times, sould buses couldn't make it down the street.

Today, the pavement and a new bridge over the Trarabusi Creek eliminates that danger and free access to the school is now possible.
