To Put Cart Before Horse

The Max Sheldon Realty Company wants to put the cart before the horse by erecting a sign at the southwest corner of 14 Mile and Middlebelt roads advertising the future development of Garden Terrace Apartments.

A representative of the company appeared at the June 24 meeting of the Township Zoning Board to request permission to erect the sign because, he said, "We intend to petition for multiple zoning of the site."

Attorney Terry Brennan said that the Board has no authority to deny or approve the erection of the sign, but that it would be misleading because the property has not been rezoned for multiple use.

Attorney James Ginn stated for the record that the subdivisions he represents are still opposed to multiple zoning of the site.
