

In Our Opinion . . .

A Needed Improvement -- Also A Problem

Any reasonable plan that would take parked vehicles off Grand River Avenue and provide for a smoother flow of traffic is good news to us. The Enterprise is glad to see that the City Council has decided to explore the fullest plan that would remove parking on both sides of Grand River between Warner and the eastern city limits, therefore.

Statistics presented on accidents along this stretch of Grand River during the past two and a half years by Public Safety Director Maurice Foltz show the need for some steps to improve traffic safety conditions along this very heavily used main artery roadway. They really don't tell the whole story, however, because they don't tell of all the near misses and close calls or even of the long waits many motorists have had in attempting to get out onto Grand River or to turn off from the road onto a side street or into a business place.

There are probably very few motorists who travel on Grand River haven't had at least one or two close calls in the last year or so.

The plan is to stripe Grand River for five lanes between Warner and Hawthorne Street with the middle lane to be for left turns only and permit a free flow of through traffic in both directions.

For those places or business sections that need parking at the front of their establishments, hard surfaced parking areas between the edge of the road and the sidewalks in front of the stores will be put in.

While the plan sounds like a very good one, there is one disturbing aspect

to us. Many of the business places fronting on this stretch of Grand River are very small operations. Like numerous other business establishments that were opened along main roadways with inadequate or no off-street parking, the development of shopping centers with plenty of free parking and many other conveniences has and continues to hurt their business badly.

Numerous stores fronting on Grand River in Redford and further into Detroit have been forced out of business and many others are operating on a very slim margin of profit. The same holds true in Farmington.

As we understand it, the cost for providing the parking area between Grand River and the sidewalks when the parking ban becomes effective would fall totally on the business places whose customers would use this parking. Will all of the business places be able to absorb the additional operating costs even though they will be able to spread their special assessment costs over a ten year period?

We would hate to see any business places between Hawthorne and Warner St. be closed down because of this additional financial burden.

It seems a little unfortunate to us that some of the costs could not be borne by the city-at-large or the state highway department. The business places along Grand River will benefit by making this main roadway coming into the city a safer route to travel but so also will the city-at-large and the state highway department.

Festivities You Won't Want to Miss

In just a couple of short weeks now the first annual Farmington Founders Days Festival will be kicked off with three activity and fun filled days in store for all.

The wide variety of activities that have been planned during the three days of festivities will have many things appealing to every age group to participate in. Activities will include a fashion show, art exhibit, silent movies, parades, a beauty queen contest, all star baseball games, other games and contests for the youngsters, an ox roast, a chicken barbecue and numerous other programs and events. Some really big sales are also planned at the various local stores including an old-fashioned sidewalk sale in the Downtown Farmington Center.

As citizens, business people and taxpayers of Farmington, all of us have a vital interest in taking part in activities and programs designed to promote

Farmington. This is why we are strongly urging you to purchase an Activities Ticket for the three day Founders Days Festival now through the Board of Commerce, sponsoring organization, or from any one of a number of local stores that will have these tickets on sale.

The tickets will entitle you and your family to many bargains during the various concession stands and also permit you to witness a number of the programs and exhibits planned. Even if you don't take part in all the festivities during the three days of celebrating you'll find having tickets for you and members of your family well worth your while.

An activity of this kind generates a real feeling of community spirit and we are certain that if you take part in the festivities though even a small portion of them, you'll feel a lot more at home in your chosen hometown in the months that follow.

Looking Back in the Files

5 YEARS AGO

JULY 14, 1960

Pitches No-Hitter
Chuey Vane of the North Farmington Little League Orioles pitched a perfect no-hit game to lead his teammates to a 3-0 victory over the White Sox nine.

Voting Precincts
Two more voting precincts have been added to Farmington Township to bring the total number of precincts to ten.

Interceptor Sewer
Connection of the Farmington Interceptor Sewer with the Detroit system is hoped for by August 1, according to the Oakland County Department of Public Works.

Head Custodian
Ralph Vert, head custodian at the Ten Mile Elementary School for the past several years, has been named head custodian for the entire Farmington School District. Vert started work at the local school system in 1948.

FARC Program
The Farmington Area Recreation Commission's summer recreation program attracted a total of 4,643 youngsters during the first two weeks of activities at the local school playgrounds.

10 YEARS AGO

JULY 14, 1955

Road Chairman
Robert Harris has been elected chairman of the recently created Farmington Township Road Committee. Floyd A. Cairns was elected secretary of the seven-member board.

New School Units
Work on a 18-room school unit at Shawansee Avenue and Tuck Road, a 12-room unit at Gilt Road and Coitax and a 14-room unit at 14 Mile Road and Middlebelt Road was reported this week to be progressing on schedule to allow for opening this fall.

Baseball Stars
Leading the Farmington Little League business this week are Allen, Thomas and Chapman. Chapman and Thomas also lead the pitchers.

Babe Ruth Leaders
In the Farmington Babe Ruth League, the top hitters this week are Rogers, L. Lynch and Love. The circuit's leading pitchers are currently Ulley, LeSage and Lynch.

FARC Field Trip
The Farmington Area Recreation Commission's summer recreation program expects to accommodate 300 youngsters for the annual outing to the Detroit Tiger baseball game.

15 YEARS AGO

JULY 13, 1950

Heads School Board
Curtis H. Hall, Farmington, has been unanimously elected President of the Board of Education for the Farmington Public Schools at the board's annual meeting held last week.

Mayor President
Robert Cassell was officially installed as the new President of the Farmington Junior Chamber of Commerce at a special banquet held at the James Warner was the banquet Toastmaster.

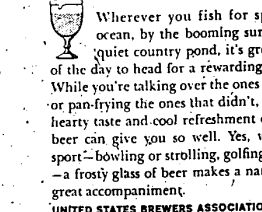

Tax Rates
City Treasurer Mrs. Ralph Cyster reported this week that the City's 17 mill tax levy will bring the City \$49,553.58 in revenue.

Accident-Free Week
The Farmington City and Township police departments reported this week that the past seven days have been an "accident-free" week with the exception of a few minor property damage mishaps on area roads.

The report of no injuries on area roads was unusual because of the heavy volumes of traffic which traveled local roads during this past week's perfect summer weather.

Wherever you fish for sport--on the ocean, by the booming surf, or on some quiet country pond, it's great at the end of the day to head for a rewarding glass of beer. While you're talking over the ones that got away, or pan-frying the ones that didn't, you enjoy the hearty taste and cool refreshment only a glass of beer can give you so well. Yes, whatever your sport--bowling or strolling, golfing or gardening--a frosty glass of beer makes a naturally great accompaniment.

UNITED STATES BREWERS ASSOCIATION, INC.

At the regular June meeting of the 19th Congressional District Republican Committee, held at the West Bloomfield Township Hall, on June 25, the committee received and accepted the resignation of the Committee Chairman, John Cojean and gave formal and public thanks to him. Cojean was commended for his fine leadership and his ceaseless efforts in the difficult task of formulating the Republican Committee organization for the new 19th Congressional District.

Cojean's resignation was made necessary due to a job promotion resulting in his transfer to the Saginaw area.

The new chairman of the 19th Congressional District Republican Committee unanimously elected to fill the vacancy created by Cojean's resignation is Christian F. Powell, an Oakland County attorney who has served as a member of the committee since its inception under the 1964 reapportionment and redistricting.

The Committee vacancy created by Powell's election was filled by the election of Robert Emery of the City of Pontiac, to the committee.

Albert Rhodes of Lake Orion, previously elected to fill the vacancy created by the death of Mr. Ernie Crawford, had been the only change in the membership, previous to the June meeting.

It was also announced at the June Committee meeting that Jean Eickhoff had accepted the general chairmanship of a Banquet to be sponsored by the Committee. The details on Banquet will be announced at a later date.

Powell, as his first official act as Chairman of the Committee, enlarged the Executive Committee to include, in addition to himself and Leonard Hippler, Neil Hall and Mrs. Catherine Walters. Powell requested a definite recommendation for a 19th Congressional District Republican Committee Headquarters within the District for action at the next meeting, which is presently unscheduled.

Sandra Schultz
Now Stewardess

Sandra K. Schultz, daughter of Mr. and Mrs. Joseph Schultz of 26833 Green Willow, Farmington, has graduated as a United Air Lines stewardess and is now serving aboard aircraft flying from Chicago.

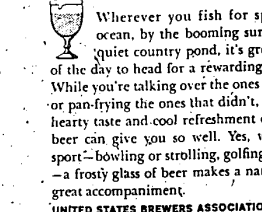

Miss Schultz, who received her training at the company's stewardess center near Chicago's O'Hare International Airport, graduated from Farmington High School and attended Western Michigan University. Prior to becoming a stewardess, she was employed as a secretary for the Ford Motor Company. Her hobbies include swimming, skiing and music.

In Michigan, after a day's fishing beer's the one... for good taste, good fun
