Bishop's Co. To Present "An Enemy Of The People"
The nationally known Bishop's Company of Burbank, California will appear in person in their adaptation of Henrik Ibsen's "An Enemy Of The People" on Tuesday, July 20 at 8:30 p.m. in Trinity Episcopal Church, 26880 LaMue Drive, Farmington, Mich.
From the renowned pen of Henrik Ibsen comes this story of a small Norwegian village looking forward to prosperity because of the natural hot springs that it has developed. When Thomas Stockmann discovers that pollution has contaminated the springs, the play develops into the conflict of right and wrong for a man and his principles versus the current financial interests of the town. Thomas cannot keep quiet about truth, "because the truth of God demands that I speak and speak and speak," and he realizes that his duty is to fight evil where he finds it.

ANNE M. PHILLIPS

Norm and Mary Kreider, Clare and Lou Lewis, are back from a delightful week trip together to Puerto Rico and the Virgin Islands. They spent five days at a beach resort on Puerto Rico, five days at St. Thomas and five days at St. Croix. They enjoyed this wonderful trip together as they enjoy being next door neighbors.
When I phoned for news of the Hubbards Monday morning I learned that Jerry had already left for the east side taking Chris to a hospital there for the removal of a wart on his foot. I'm sure Chris is already running about as happily as usual.
Last week Clair and Theresa McKay drove up state and spent two days with friends who have a farm near Gaylord of over 100 acres with a lake of the same name. 30,000 Xmas trees. There were 40,000 at this time last year but some 10,000 were trimmed last Christmas time. These friends were overseeing the trimming of the trees, an annual task till the year the trees are to be used. They would have liked the McKays to stay longer but their own beautiful gardens brought them back here.
