

## Nelson Voices Two Complaints

W. Allen Nelson of Warner Street, a member of the planning commission who is in regular attendance at City Council meetings, registered two complaints with the Council at their regular meeting Monday night, August 2.

### The Old Timer

"The trouble with many people in trying times is that they stop trying."

One of these complaints was about the burning of trash being done on Thomas Street to the rear of the Pioneer Oldsmobile dealership and the trash accumulation in that area and the other about cars coming out the wrong way from the parking lot area at the First Methodist Church.

Public Safety Director Maurice Foltz was instructed by the Council to look into both matters and take whatever corrective action was necessary.

## Beechview "Pirates" Party Held

One of the most unusual and outstanding events of the summer season was held at the Beechview Swim Club on Saturday, July 24, at the club hosted a "Pirates Party."

A decor of Spanish Main and Jolly Rogers decked the club in a festive air as the one hundred-fifty costumed guests toured the course of a treasure hunt in search of buried treasure.

Jill Emerson and Lil Clark were co-chairmen of the event, which featured the well known dancer, "Lilani," from Hawaii. She thrilled the crowd with her authentic dances in a fast moving, audience participation show which taught a number of the Beechview men Hawaiian dancing.

She was admirably backed up in the show by those zany four, John Clark, Steve Martello, Dick Smith and Joe Emerson, who gave their own interpretation of the island rituals.

After the show, all enjoyed a buffet dinner and the evening spent in a pleasant atmosphere of dancing. The event was a complete sell-out and many people unfortunately could not obtain tickets.
