AAUW Annual Book Sale Plans Now Being Made

Area women are planning the 13th annual Used Book Sale sponsored by the Farmington Branch of the American Association of University Women to benefit its Fellowships Program and the Farmington Library. The sale is scheduled for September 23, 24 and 25 at the Old National Bank of Detroit Building, corner of Grand River Avenue and Farmington Road.

Collection of books for the sale has been going on by all members of the Farmington branch. Before going on sale all books collected are submitted to Librarian Mildred Droegge; and if it is needed by the Library, the book is donated.

ed to the library for the use of all residents of the community. In this way the library has been able to build up a collection of useful reference books and lighter reading matter at no expense.

AAUW HAS LONG been a supporter of the Library. It was instrumental in organizing the Farmington Friends of the Library. It has supported every movement to secure sufficient funds for library operation, and besides giving the library first choice of books collected, gives the library ten per cent of all funds collected at the book sale for the purchase of new books.
