Our ever-vigilant members of the Association Board had their midsummer meeting on August 10 to keep abreast of incoming problems and to re-issues of the school re-issues. Eleven Mile Road's speed limit with Township officials; exploring the possibilities of a curb on the north side of Kiltartan's exit; being assured by Township officials that the path to East Jr. High will be in usable condition by the beginning of the school re-issues; Christmas decorations; and committees formed for the annual Christmas home-decoration contest. Dean Elzeig wonders if you've noticed the new entrance signs? Two important news items were decided upon: first, the board is definitely planning a Halloween program for our children in the vicinity of Beechview School. Secondly, the board has decided to mail a letter soon to all Kimberley residents, informing that those not belonging to the Association will no longer be able to participate in any of the Association activities.

This Is Kimberley

Mrs. Polly Day of Westmeath and her 3 youngest children enjoyed three weeks visiting her sister and mother at Escobido, California, where Megan celebrated her 12th birthday and Randy his first. A phone call from Mr. Day hinted the family home for Kimberley had been transferred to G.M. Overseas Division and is scheduled to be in Russellheim, Germany, on October 1, doing industrial engineering with computers. With mixed emotions, the family is preparing for this major move, expecting also to serve a year in Australia. This is a year to go around the world on a budget! Good luck from Kimberley.

An uncle's 258-acre cattle farm in Clarkburg, Penn. was a restful stop for the John Bowlick family except for the very busy turnpike traffic. The Gus Heuer's and his brother's family of Lincolnshire were in town for four lovely days cruising Lake Erie, stopping at Put-In-Bay and Cedar Point.

They might have seen the Dick Angelo family who stopped there on their way around Lake Erie to visit for four lovely days cruising Lake Erie, stopping at Put-In-Bay and Cedar Point.

Mr. and Mrs. Douglas Mohr of Barwell vacationed at Doug's family's motel at Saugatuck, Michigan, for 10 days of swimming, dune rides, and frequenting the beach. To imagine their surprise on their return, when the Linsons, who have since moved to Redford Township, rushed over to declare that they've sold their home to a very nice couple named Mr. and Mrs. Mohr.

Edward (Bud) Erickson of Willow recent made the Detroit Sports headlines with his appointment as assistant to the president to organize the National Football League's new Atlanta, Georgia, team. Having been with the Lions since 1952 as publicity director, Bud has a challenging year ahead of him in this new adventure. Eventually, the rest of the family will follow him to settle down in the peach state.
