ANNE M. PHILLIPS

Bill and Effie Dorough have had a busy month. Old time friends, Mr. and Mrs. Harold Hepp whom they knew well when they lived in Detroit, but who have now retired to Tucson, Arizona, reached here the 3rd of the month and will remain until after Labor Day. The Doroughs' son, Tom, who has been living in Chicago while taking a training course with World Encyclopedia, came on with his wife, JoAnne, and their two children, Michael and Sharon, to spend five days here en route to their new home in Springfield, Mass., where he takes up his duties as Divisional Manager for World Encyclopedia. Three nieces of Effie's have been taking turns spending a week here. Karen and Drissy have had their weeks. Kathy is spending this week in Wood Creek. Then, weekend before last, Karen and Drissy, with their wife surprised them by arriving from Homestead, Florida. A sister-in-law, Hattie Chapp, came up from Stamford, Ky. to be with her brother as much as possible.

THE NEWLYWEDS, Denis and Karen Sevakis, are here in Wood Creek running the home on Salem and taking care of the two younger children while Frank and Elsie are enjoying a European tour. Peter and Marie MacInnis got back last Friday morning from four days in New York City and the World's Fair.

Penny is spending a week here with them while husband, Dan, is away on business. Eleanor Deschoff and the new daughter got home from the hospital last Saturday. Dick is having this week's vacation which he is spending right at home getting well acquainted with this new member of the family.

JACK THOMPSON returned the end of last week from a week in Boston, Mass., where he attended the Christian Science 8th biennial meeting which was held at the Mother Church. Monday he left for their cottage on Lake Michigan near Traverse City where he takes up his duties as manager for the opening of Oakland College on the 7th.

The Women's Association met last week Tuesday at the home of Helen Goldbaum with Ginny Albertsen and Maxine Carlson providing the dessert. Of the 25 present there were two newcomers to Wood Creek. Beckie Lieberwitz and family moved into the home at 27505 Old Colony in July. Her husband, Byron, is manager for the home at the new children. Drew is 18 and will enter Oakland Community College this month; Diane is 17 and Janice, 8, has just returned from a European tour. We extend a warm welcome to this family.

Joe Kocak, with husband, moved into the former Wingo home at 28918 Millbrook two weeks ago. Albert is an engineer with Parke-Davis; Jean

is a kindergarten teacher in Redford. We welcome them to Wood Creek.

TWO WEEKENDS ago the McGraths entertained Mr. and Mrs. Lenton Sculthorpe of Marshall, Mich. Lenton and Dick were fraternity brothers and roommates at the U. of Michigan. As they had not seen each other for a number of years, they had a lot of catching up to do.

Watson and Alleyne Kinney will be moving from Wood Creek the 27th of this month. We shall miss them but look forward to seeing them from time to time as they are not going far—to Nottingham Forest which is just north of 13 Mile Rd. on Lakeside. We look forward to the new occupants of their home. Edgar and Gertrude Capps, Edgar is a math and physics education teacher at Pershing High School, and Gertrude a home economics teacher at Merrill Palmer.

ROY AND ETHEL Nelson enjoyed a two-month visit from Roy's sister, Mrs. Lyla Grondahl. Last week Monday she left for her home in California. They have three children: Drew is 18 and will enter Oakland Community College this month; Diane is 17 and Janice, 8, has just returned from a European tour.

Phil Wright was operated on at St. Joseph's Mercy Hospital in Pontiac last week Tuesday. As of this writing, Friday morning, he was still in the critical list. Son, Jim, with his wife Ellen, and two children came on from Olean, N.Y. to be near his father at this time. Hachelor son, Bill,

is staying with his mother. I hope to have a good report of his progress next week.

PAT AND BEN deCooke have another daughter, Susanne Marie actually arrived way back on June 24—the night many of us were enjoying our annual picnic. Pat had a difficult time with this big 8 lb. young lady and left shortly after her arrival for their island near Perry Sound in Georgia Bay, Canada. Pat's mother had taken the two older girls up there two weeks before Susanne's arrival. They all returned to Wood Creek a week ago Friday. Pat feels fine—Susanne weighs almost 13 lbs. which indicates she, too, is very fine.

Week before last the Cardens had a family gathering, two brothers and a sister of Wilma's. The first to arrive was a week ago Friday when her oldest brother, Milton Thompson, with wife, Viva, arrived from Tuscaloosa, Ala. As he is a railroad engineer they, of course, came by train. Wilma's sister, Geanie Clorkos, with husband, Stanley, and daughter, Jean Marie, flew in by plane from Houston, Texas, on Saturday. Her other brother, Howard, with wife Thelma, drove up from Oak Ridge, Tenn. on Saturday.

They were all here to celebrate Milton's 60th birthday. Wilma had a birthday dinner for him Sunday. His cake, appropriately, was topped by a train. On Saturday the family flew back to Texas; Tuesday Ed took them to Topinkas for dinner where Milton had another birthday cake prior to being taken to the station for his return trip; Wednesday Howard and his wife drove back to Oak Ridge.

Mr. and Mrs. Louis Luzzar of Farmington announce the engagement of their daughter, Pat, to Robert Waskowski, son of Mr. and Mrs. Victor Waskowski of Farmington. They are planning a September wedding.

Mr. and Mrs. John Alson Sloop of 32305 Valleyview Circle, Farmington, are honored to announce the engagement of their daughter, Gwendolyn Bernice, to Donald H. Christman. He is the son of Mr. and Mrs. Harold G. Christman of 34630 Versailles Court, Farmington. An October 9 wedding is planned at Our Lady of Sorrows Church.
