TNTs Start Fall Program

The Farmington Chapter of the Buxom Belles, the T.N.T.'s, are starting their fall program of weight reduction. This is a non-profit class that meets once a week, using a group therapy method.

The first meeting of the fall season, will be Thursday, September 16. The latest one of this group to reach her goal and be rewarded with a party held in her honor is Mrs. Janet Gooden, of 7011 Gilman St., Gagetown City. The party, with decorations done in pink and white, was held in the home of Mrs. Florence Krings of 22480 Dobson Dr., Farmington. Over thirty women attended.

The highlight of the evening was when Janet was robed and crowned her "throne". Some of her gifts were a beautiful corsage, a tiara and a sweater.

If anyone would like to know more about this congenial group of "weight-conscious" women, they may call Mrs. Lorraine Ashley at 476-8437.

A huge rubber tree plant was the gift Jeanette Ivacow received for being hostess to their friends from across the sea. Mr. and Mrs. Camille Lallier were neighbors when the Ivacows lived in Coulters in the province of Seine-Marne. They arrived with their daughter, Rolande, who resides in Chicago. Their five day visit included a trip to the Ford Motor Company and also to Canada where Jeanette has many relatives. Before returning to France they will take in the sights of Niagara Falls and the New York World's Fair.

THE DETTLINGS of Barfield have had a busy summer. They took daughter Claudia on a camping trip to Higgins Lake, Tahquamenon Falls and the Porcupine Mountains where they saw the beautiful Lake of Clouds.

Sue's sister, Mrs. Angus Macdonald and her two children, Glynis Lee, 4, and Gordon, 2, visited her for a month. Their only excursion was a trip to the zoo.

It seems that Sue was caught in the midst of the tonsillitis siege. She was ill for quite a while.

The Stasaks, also of Barfield, recently held a baptismal party honoring their new son, Tony. Approximately 20 guests were present. This past weekend they traveled north. JOAN PEARCE took daughter Julie to Toronto, Canada, where they visited the Canadian National Exhibition. On their return they took a side trip to the Falls where their biggest thrill was walking under the tons of roaring water.

THIS WEEK we will belatedly introduce you to Pedro and Elsa Rubi of Creekside Drive. The Rubis are originally from Cuba though Elsa has lived in Boston for a while.

They have one little son, Pedro, and Elsa is expecting her second child this year. Pedro Sr. is an employee of

the International Sales Division of the Ford Motor Company. Since joining Ford, the Rubis have traveled extensively in South America. We hope to see all of our friends and neighbors at the next Homeowners' meeting to be held at the Jack's home on Brookplace on Thursday, Sept. 16. A Board of Directors meeting will be held Sunday, Sept. 12. We are hoping for complete turnout so our new members can become familiar with the executives in time for the October nominations.

A BABY shower honoring Pat Ellerholz took place at Pat's home on Brookplace Ct. There were 30 guests present.

Its A Nice Feeling . . .

To know you appreciate the fact that we take the time to insure your child a properly fitted shoe.

We appreciate the fact that our customers were patient when they had to wait to be waited on during the recent "Back-to-School" rush.

The extremely large number of parents who brought their children to us, to be fitted this year, points up the fact that our policy has been correct.

OUR POLICY

Fit each child as if he were your own.
