Saturday Art Classes Begin Here October 2

Saturday Art Classes sponsored by the Farmington Public Schools in cooperation with the Detroit Art Institute will begin Saturday, October 2, at Farmington Senior High School.

Enrollment forms for the classes will be distributed this week to Farmington public school students and are available to any students in the area by calling GR. 4-5122 or picking them up at the Board of Education office.

An enrollment fee is charged for the series of lessons, which are planned to compliment the

College Nite To Be Oct. 5

The fourteenth annual college night program will be held on Tuesday, October 5, 1965, from 7 until 10 p.m. at Farmington Senior High School. This year 38 colleges will be represented. Students and their parents will be given an opportunity to become acquainted with various colleges and to have many of their pertinent questions answered.

Everyone will be given a chance to attend lectures on their favorite colleges and to attend panel discussions on the problems of selecting, entering, and financing a college education. The panel will be composed of representatives from the University of Detroit, Western Michigan University, Michigan State University and Oakland Community College.

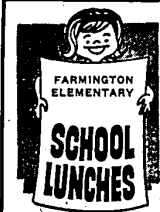

Miss Rita Rose Zarzana, daughter of Mr. and Mrs. John Zarzana of Houston, Texas, is the bride-elect of Mr. Ronald W. Jordan, son of Mr. and Mrs. Roy Jordan of Birmingham, Michigan. The couple plan a November 21 wedding at Annunciation Catholic Church in Houston. Mr. Jordan is a 1963 graduate of The United States Merchant Marine Academy in Kings Point, New York, where he was class vice-president for three years. Miss Zarzana attended the University of Houston where she was a Vanity Fair Favorite.

art program in the schools. The classes planned by the staff of the Art Institute use the library facilities of the institute in providing motivational materials for the students' use.

Each series of classes are planned on a different theme to allow students to repeat the series with the knowledge that all new materials will be used. The enrollment fee allows for the materials to be used and the instructor.

The classes are of particular interest to the talented student but are also planned for the student interested in art regardless of particular talent. Additional information about the classes may be had by calling Robert Benjamin, Elementary Art Consultant at GR. 4-5132 on Fridays.
