Kendallwood

Women's News

The Women of Kendallwood Farms opened another season on Tuesday evening, September 14, with a delightful fashion show featuring the latest in fall fashions and colors. With clothes supplied by Harvi's, and a very interesting and complete commentary by Emily Kay Murphy, we found it a very stimulating evening. One very important item of business was discussed, and we are pleased to announce that with the passage of an amendment to our By-laws, we are now opening our membership to all women residing in the North Farmington Area. Our membership chairman is Mrs. Thomas Neveas, and anyone interested in joining this club may contact her at 474-7820. The next event on our club social calendar will be a matinee theater party on October 27 at the Fisher Theater. "Carousel" will be playing, so this sounds like a very enjoyable afternoon.

Independence Green

FARMINGTON'S NEW LUXURY APARTMENTS

With the opening of Independence Green Apartment Development, Thomas A. Duke and George A. Duke, Jr., developers, builders and owners have today brought to the apartment market, a new concept of living. It has generally been accepted that to live within view of a rolling 18-hole golf course is a location generally reserved for expensive residences from \$40,000.00, often up to the hundreds of thousands of dollars.

Not so at Independence Green. Included with the magnificent view of the 18-hole course residents enjoy a modern luxurious apartment, complete with carpeting, drapes, washer and dryer, and, if desired, complete furnishings. In addition, tenants have available to them probably one of the most magnificent Country Club facilities in the country, modeled after the Independence Hall in Philadelphia. The exterior will be an exact imitation of size, style and detail of the historic building. The interior, however, will be redesigned to provide 38,000 square feet of floor area.

This tremendous size will be devoted to swimming pool, (indoors) club rooms, lounges, breakfast room, dining room, locker rooms, pro-shop for the golfers, offices, private dining rooms, bar, sauna bath, card rooms, ballroom, billiard rooms, t.v. rooms, library, teen room, sun deck, nursery, and other miscellaneous activity rooms. In addition to these facilities, the residents at Independence Green will soon have tennis courts and still more ideas are in the making. This comprehensive plan, which includes almost 2,000 apartments, varying in size from the efficiency to 4-bedroom luxury models, in addition to a 180-room motel and shopping center in the round, will offer tenants a quietude and luxury way of life, which cannot be compared.

The convenience of this location, immediately adjacent to "The world's largest interchange," allowing the residents to travel East, West, North or South on Ten Mile Road, Grand River, I-696, I-96 and the soon to be constructed I-275, is indeed appealing.

A golf course, a country club, and many activities is something which has received great enthusiasm. With so many facilities close by, well maintained, supervised and attractive, the residents may enjoy neighborly get-togethers and nightly entertainment. Beamed ceilings, chandeliers, paneled walls, fireplaces, swimming pools will lend an atmosphere of living like a millionaire at a low monthly cost.
