In and out of huddles, in rain or shine, just like the mainmen, many of our youths are involved in a weekly hassle with a pickup for the Farmington football Little League. A unit of the Western Suburban League, practicing began in August. Competition for the Rockets and Missiles with other suburban communities began in September, with home games at Farmington High School; and continue through the first week in November. The season is terminating with a banquet for the athletes and their parents at Roma Hall in November where they receive recognition for their participation. From Kimberley in the Varsity Missiles are Ray Tooby, Eric Paus, and Robert Varsity. Playing in the Junior Varsity Missiles are Gary Bergstrom, Bob Baum, Chris Pagnucco, Mark Mageau, David Norton, and Nick Nicolay. In the Varsity Rocket team are Scott Stinnett, Pat Dygert,

Jim White, and David Kenney. Phil Bey and David Jimenez team up for the Junior Varsity players. The youngest group, belonging to the Bantam Rockets, includes Ken Smith, Jim Katterman, Jim Rennell, and Paul Bey. The Varsity Rocket team has been exceptional this season in winning or tying all their games thus far.

REMEMBER THAT rainy cold weekend of October 9, 10, 11 when you stayed in close under shelter in your cozy next Well, that's the weekend that the Ottawa District Council selected for their fall Boy Scout camporee at Highland Park Recreation Area, north of Pontiac. The Ottawa District, the highest summit in S.E. Michigan and 40 boys from Troop 175 tented at Tepee Lake in the downpour. The patrol, who planned, purchased, prepared and even consumed their own food, went on five mile hikes to promote their activities. Scoutmaster George

Fletcher thanks the father for their able assistance. Tom Young, Lynn Chalmers, Sid Williams, Lou Fritz, Al Lorringer, and Frank Macielak helped chaperon the "festivities."

Also lucky nature has a wet weekend with Troop 161 was Scout Bill Betts and his father Jack Betts. Canoeing down the River Rive was a treat no matter what the weather.

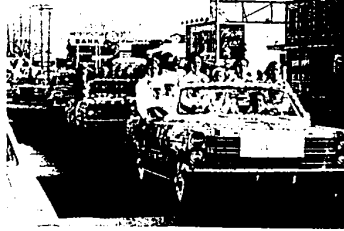

AS YOU ALL know, two new homes on Westmain have been in the process of construction for the last few months. Have you ever gone by that you didn't see some children playing there? This distressed builder claims the vandalism and thefts which have occurred here are, the worst he has witnessed in his twelve years of building experience. What kind of dubious honor is this for Kimberley?

No father on Greythorne could rate with Orville Wright. Weir last August, Strum in a northern Michigan town, Mr. Weir was happy to accept an offer of a helicopter ride home. The plane momentarily stopped on the Weir front lawn to let him quickly hop out. The aircraft departed immediately, thus escaping from the swirling border of youngsters who rushed to the scene in hopes of witnessing an air crash.

If you happened to be viewing Channel 13's "Michigan Outdoors" last Thursday, October 14, you may have been delighted to recognize our fellow Kimberleyite, Genny Bower, of Middlebelt. While duckhunting up at Sebewaling, Mr. Bower chanced to meet Mort Neff who was interviewed by him. This was Genny's second appearance on TV, for two years ago he and his brother were "the" sardine program for having caught the largest goose in Michigan.

CONGRATULATIONS to Mr. and Mrs. Donald Hickey of Westmeath on the birth of their sixth son on October 10. Born at St. Mary Hospital and weighing in at 8 pounds 2 ounces, Brian Charles Hickey was brought to a task in picking a sixth boy's name!

Expressions of sympathy go to recently bereaved Kimberley families: Condolences go to the Al Lorringer family in the loss of Ruth's mother, Mrs. P. Lorringer; also to the Don Howards of Pipers Lane in the loss of Don's mother in New Jersey.

THE VARSITY CHEERLEADERS at Farmington Senior High School are pictured above in the FHS Homecoming Parade last Friday. The girls cheered the Falcons on to a 21 to 7 victory over previously undefeated and unscored upon East Detroit.

ALSO TAKING THEIR wedding vows on October 16 were 18-year-old Jerry Woolsey, son of Betty and Gordon Woolsey of West Brighton, and Diane Wood, also 18, of Redford. Following the ceremony, a reception was held at the Woolsey home for approximately 100 guests, consisting entirely of the bride and bridegroom's relatives. The young couple were unable to get time off from work, so their honeymoon trip (to Niagara Falls) had to be delayed one week.

Joy and Elwin Sheldon of Nine Mile Road gave their daughter, Sandra, in marriage to John Koglin of Farmington on October 9. The couple were married at the Forest Hills United Missionary Church and

are making their home in Farmington.

**BASEBALL AWARDS** night was held October 14 for those who participated in Little League Baseball last season. Receiving trophies were Dan Wolman, Greg Zuchowski and John Barth of the Championship Colli League team; Mark Heumann of the Championship Pony League team; and Johnny Holappa of the Championship Major League team.

Ribbon awards for participation in the various All-Star teams were given to Terry Spriggs, Johnny Holappa, Mark Heumann, Greg Zuchowski and Dan Wolman.

Looks like Johnny Holappa will be out for the balance of the football season. In last week's game, Johnny suffered a fractured collar bone, the same one which was hurt in pre-season play.

**MARY LOU** and Bob Douglas of Ontonago wish to thank all of their neighbors for the help offered and given when the garbage disposal caught fire and caused extensive smoke damage in their home. The speed with which the Fire Department answered the call (they were there within five

minutes) is very reassuring.

Friends and neighbors of Florence and Carl Stark of Farmington were shocked and saddened at the tragic news of the death of their 28-year-old son, Jim. Jim and his wife, Mary Ellen, were involved in an automobile accident approximately 2 a.m. Sunday, October 17, while returning from a high school reunion. The accident occurred on Ten Mile Road and Creekside, just a few blocks from their home. Mary Ellen is in serious condition at Botsford General Hospital.
