Dear Sir:
I am presently a senior at Farmington Senior High, but it is not any senior high problem that concerns me. East Farmington Junior High has become a major cause for alarm ever since it was built nearly three years ago. Overlooking Middlebelt Road, a busy thoroughfare, it has provided Farmington parents with a traffic hazard not to be left unheeded.

Just a few weeks ago on a rainy Friday morning as mothers were driving at the entrance to the Junior High, a collision occurred, which seriously injured three persons. This is but one of several accidents that have occurred while entering Middlebelt from the driveway.

Children have been struck and injured by fast moving automobiles traveling on their way to work early in the morning. There have been no traffic safety devices obtained to cure this dangerous situation. Parents must wait and wait for a break in the speeding stream of cars and men dart out into the street hoping that there is no driver with his foot on the accelerator approaching.

POLICE SAFETY is not frequent enough. Only a few times a week may one see a school directing the oncoming police officer standing near the vehicles. There is also no teacher supervision as those seen in the F.H.S. parking lot. Why must the lives of our sisters and brothers be jeopardized by a problem so easily solved? Law officers, traffic lights, and teacher supervision are the keys to this rusting lock. While parents of the innocent children complain about the pressing situation, accidents still occur. Instead of drinking coffee after their children are safely on their way to school, they should be out on the pavement aiding the drivers and pedestrians across the highway.

Only when the preceding is accomplished will our families rest in the knowledge that their children are safely on their way to school and not on an early disaster.

Thank you,
Kathi Groff
Farmington Senior High

**Solar Family
Awaits Start
Of Mat Season**

With the wrestling season just around the corner, one Farmington family is very much looking forward to the mat season — the three Solar brothers.

Mike Solar, who posted an 8-3 record as a junior with the fine Our Lady of Sorrows varsity wrestling squad last year, will provide Lancer mat coach Dan Potter with welcomed experience at the 120-pound division weight. Mike won a Bronze Medal for his third place finish in the State Regional Tournament last year, and with teammate Cliff LaFond represented OLS in the State Finals.

PAT SOLAR, 12, who is an eighth grader at Sorrows, and the youngest brother, Dennis, 11, a sixth grader at Wooddale Elementary School, also have showed wrestling prowess. Both young Solars competed last July in the Fifth Annual AAU Wrestling Tourney held at Flint where 300 competed. Pat and Dennis both won first place Gold Medal awards.

Pat Solar won all four of AAU matches in the 101-pound weight class, two by decisions and two by pins, while his younger brother, Dennis, pinned four of five opponents to capture first place honors.

All three Solars praised their coach Dan Potter for his encouragement and help in developing their wrestling talents.
