

Raiders Down Oak Park With Fourth Quarter TD's

North Farmington's backfield broke through Oak Park's line in the last half of the fourth quarter, to win the Northwest Suburban League Championship, 12 to 9 victory, number seven, was one of the hardest games the Raiders have played.

Oak Park was able to stop North Farmington's brilliant offensive team in the first half, causing concern to all as evident in the Raiders cheering section.

RICK BENNINGER OF NORTH FARMINGTON anchors the Raiders' line at center offense and holds down a key defensive end position on defense. Coach Ron Holland is high on the senior, a 5-11, 180-pounder, who hasn't missed any action this fall and has proved himself a solid player. Benninger, who has a brother, Steve, junior, back with the Raiders, was converted over from an end this season in his second year with the varsity. Rick is also a varsity baseball player for NFHS, at the shortstop position, and a member of the Raider Varsity Club. He is an Eagle Scout and the son of Mr. and Mrs. Glen A. Benninger of 5200 Cambridge in Birmingham.

The Redskins left the field at half-time with the score 9-0.

The third quarter started with Oak Park receiving the ball, but soon losing it to North Farmington. The Raiders charged toward the end zone, but were finally stopped when their attempted field goal was unsuccessful.

Oak Park took the ball on the 27 yard line. Unable to get the first down, Jeff Atkins punted the ball to Tom Ware, of North Farmington, who carried the ball for 45 yards putting it on their 45 yard line. The third quarter ended with the score still 9-0.

The fourth quarter started with Oak Park in possession of the ball, but it was soon seen that it was North Farmington's game as the Raiders carried the ball down to the 15 yard line, where Bengt Hanson kicked against the wind and was short, a penalty was called on Oak Park, and it was taken and a pass play was tried, which was unsuccessful. The Redskins unable to do anything, punted the ball to the Raiders. Bruce Whetter charged around left end for a first down, as the Raiders drove for the first touchdown. Craig Wyrnsky drove the remaining four yards, as the Raiders back field drove into the end zone. Bengt Hanson kicked the extra point giving the Raiders the lead 7-0.

Rick Schultz kicked the ball for four yards, the ball going for eight yards, was fumbled by Ron Gerson of Oak Park, and recovered by Ron Gerson of North Farmington. Bruce Whetter running around left end got 28 yards. Craig Wyrnsky then carried the ball for four yards with Schultz running down in sight. Bill Oldershaw handed the ball to Tom Ware who ran the final 15 yards.

Rick Schultz kicked the ball for four yards, the ball going for eight yards, was fumbled by Ron Gerson of Oak Park, and recovered by Ron Gerson of North Farmington. Bruce Whetter running around left end got 28 yards. Craig Wyrnsky then carried the ball for four yards with Schultz running down in sight. Bill Oldershaw handed the ball to Tom Ware who ran the final 15 yards.

Wayne Johnson scored all 14 of Farmington's points against the Roseville Wildcats in the opening quarter and one in each of the other periods to claim an easy victory.

Falcon touchdowns came on a seven-yard plunge by Johnson in the first period and two-yard plunge in the third quarter. The Falcon full back, Dan Steinko, was the biggest ground gainer of the night for Farmington with 85 yards rushing in 22 carries.

Farmington's best game at Roseville was a 60-yard pass play from quarterback Mike Wilson to Johnson. Wilson hit on three passes out of nine attempts for a total of 75 yards through the air.

THE TOTAL RUSHING yardage for Farmington was 211 yards with fullback Ron Shill logging 14 times for 64 yards and rolling out around his right end for 38 yards for the Rockets' second touchdown. The extra point failed and the score was 13 to 0. The strong defense of the Rockets stopped the Hazel Park team in their back and the offense took over and moved the ball down the field with little effort scoring again with Danny McGrath going over for the T.D. Herpich converted the extra point and the score was 20 to 0.

In the last half Coach Rene substituted frequently mixing up offense and defense with the result that Dufe hurled a pass to Jim White who fumbled and Ben Hudson recovered for the last touchdown of the day.

Rockets Stop Hazel Park Cold, 26-0

An undefeated Rocket team met Hazel Park who had not won ball game all year and defeated them 26 to 0.

It was evident after the kick off that the Rockets were in complete command of the game from the beginning. Dan Steinko broke through the middle for about 40 yards and then McGrath took the ball to the 4 yard line. After a couple thrusts in the line failed Mike Gou plunged over for the first touchdown. Dan Steinko converted and the score was 7 to 0.

In the second quarter with Craig Dufe quarterbacking, Craig Dufe faked to his back and rolled out around his right end taking 38 yards for the Rockets' second touchdown. The extra point failed and the score was 13 to 0. The strong defense of the Rockets stopped the Hazel Park team in their back and the offense took over and moved the ball down the field with little effort scoring again with Danny McGrath going over for the T.D. Herpich converted the extra point and the score was 20 to 0.

To Play Annual "Peanut Bowl" Game Saturday

This week the Southfield-Lathrup Junior Football League sponsors the annual "Peanut Bowl" game between the Jayhawks and the Farmington Rockets at Southfield High School football stadium, under the lights.

This Southfield's only night game this season and also their fund raising game. In this final game of the season for both teams a tradition has developed over the years around a small slab of wood with a salad bowl filled with peanuts attached to it. The "Trophy" has passed back and forth for the last years and is currently in the hands of the Rockets.

The result of their winning last year's "Peanut Bowl" game.

These two teams are members of the JackLeather Little Football League and each field three teams in ages from 9-12 years. The Jayhawk "Ponies" face the Rocket "Bananas" at 8 p.m. The two J.V. teams meet at 7 p.m. and the Varsity teams take over to battle for the trophy at 8:15 p.m.

The drawing for the winning tickets in the Jayhawk raffle will take place between the Junior and Varsity teams at about 8 p.m. All parents, friends, relatives, neighbors, and interested spectators are invited to the high school, at 10 Mile and Lahser Roads, Saturday, Nov. 6, for the colorful event.

Schools To Buy Land For Access

The Farmington Board of Education, at a regular meeting on October 25, voted unanimously to enter into a purchase agreement with Mr. Edward Frolich in order to acquire part of a lot on Rhenswood Street to use as an access road to the junior high school site west of the Gill School.

The agreement was for the purchase of 67 1/2 feet of lot 27 of Supervisor's Plat 12 for a price of \$6,000. The present owner is to remove a shell house on the property, within 90 days.

Bond Resolution For Sewers Approved

An official bond resolution to provide for a sanitary sewer improvement project on a special assessment basis in Grand River Homes Subdivision was adopted by the Township Board at its regular meeting Monday night.

Grand River Homes Subdivision is located in the southeastern portion of the township.

Farmington High during the 1958 season. The Falcon Junior Varsity team is in the midst of one of its finest seasons with a record of 4 and 2 with two games remaining, a home stand against Roseville this Thursday and the clash with North Farmington Reserves on the Raider gridiron Nov. 11.

Falcons Face Bluejays In Pursuit of 4th Win

Wildcat passing attempts, the enemy ground game could not be contained, it racked up a total of 426 yards rushing. Most of the Wildcat offense was sparked by Greg Panches who scored three touchdowns on runs of 62, 48 and 43 yards and a total of 208 yards in nine trips with the ball.

COACH TYLER credited Panches with the best running done by a back yet to face the Falcons. "He's the quickest back we've seen all season" and killed Farmington with his ability to break tackles.

Farmington, which now owns a record of 3 and 4 with just two games remaining on the schedule, started Wilson at

FARMINGTON'S CHRIS HAWKINS, captain of the Clarenceville High School football team, went on a scoring rampage in the Trojans' game with Holly last Friday night as he piled up 35 yards rushing to account for all five CHS touchdowns and one of the two successful extra points attempts. Hawkins, a senior who stands 5'10" and weighs 180 pounds, is pictured above at the end of his night's work against Holly. The total yardage racked up by the Trojan star with all two games remaining on the schedule (Milford and Creswood) is 108 yards in seven games. Clarenceville, which bowed to Holly, 40 to 32, owns a 2-5 overall record with a 2-4 mark going into their final game at Milford this Friday night.

Speed Still Biggest Cause of Road Deaths

"The phrase 'speed kills' is often used in connection with highway safety campaigns, but what about the abnormally slow driver?"

There is certainly no place for the pakey driver on today's superhighways and this is being recognized more and more by traffic authorities. However, their main concern is still with the speed-conscious driver and I think I can show you why.

Let's take a look at some of the "chance rays" developed by the American Insurance Association relating speed to accident fatalities.

If you have an accident while traveling at 80 m.p.h. or higher, death is almost a certainty. At 75 m.p.h., the chances of death are one in eight; at 65 m.p.h., one in 67; and at 25 m.p.h., the chances of death occurring are one in 167.

As speed increases beyond reasonable limits, your brain cannot react quickly enough to what the eyes see, to permit safe driving. So why firm with the instant death that can result from the smashing impact of a high-speed crash.

T.B. Testing To Begin In School Grades 1, 5, 9

Tuberculosis testing in selected grades, a part of the school health program in Oakland County since 1957, will take place in Farmington Schools Nov. 9 through 19. Throughout the school district, children in grades 1, 5 and 9 and in all Special Education classes will be tested for tuberculosis. Information about individual school schedules and parent consent forms will be sent home with students by building principals.

Children who have had positive reactions in previous tests should not be tested again. Mrs. Donna Cavene, nursing supervisor assigned to the Farmington Schools emphasizing. In these cases, follow-up testing should be by x-ray.

"But it is important that all other children participate," she said. "In Oakland County, the incidence of tuberculosis seems to be greatest among children and the elderly. It is important for public health officials to identify the source of contact with the disease."

LOCATING THE source of tuberculosis is something like following a fox-and-hounds hunt, public health officials assert. It's easier to track down children below the 5th grade since they have more limited public contacts than older children.

"Adolescents have less resistance to tuberculosis because they are growing rapidly," said Mrs. Cavene. "Therefore, it's very important to locate infection in this age group and to strengthen resistance to infection by studying good health habits."

Children call the Mantoux Tuberculin Test "Operation Bubble." The testing medium is a culture of diluted old tuberculin which raises a small bubble when injected under the first layer of skin. All tests produce this bubble. Positive tests produce an area of bubbles of particular measurements. A positive test does not necessarily mean a child has tuberculosis, but a child officials

Plan Civil Air Patrol Here

High school boys and girls (13 through 18), as you keep abreast of today's aerospace technology of modern flight and study as well as traveling make up a busy schedule.

The Civil Air Patrol is forming a Cadet Squadron in the Farmington American Legion Post on Grand Avenue. Anyone interested may apply in person at the Post any Monday evening from 8 to 10 p.m. Camp-outs, flight competition, flying and study as well as traveling make up a busy schedule.

The Civil Air Patrol also needs adults of various talents to carry out the program.

W. Bloomfield Sets Book Sale

November 8, 9, and 10 are the dates set for the annual used book sale of the Friends of the West Bloomfield Township Library. The sale will be held from 1 to 9 p.m. each day at the Community Room of the library at 5930 Orchard Lake Rd.

Hundreds of books will be sold at prices ranging from 5 to 50 cents. Included are books for children of all ages, fiction, mysteries, a wide variety of non-fiction and text books, and many old and unusual volumes. All funds raised by the Friends are used to benefit the library.

Jr. Grid Dads Pick Officers

The Farmington Dad's who sponsor Junior League Football elected new officers for 1966, last Wednesday night at the American Legion Hall.

Irv Heumann was elected president, Chuck Smith, vice-president; Leo Devine, secretary; and Jerry Weiss, treasurer.

President elect Huemann promised some changes for the club activities next year, to promote attendance by the Dad's during the football season. The new men will take office after the Club's Annual Banquet November 9 at Roma Hall in Livonia to honor all the players.

In a bit of by-play present President James Lawson was retained as legal advisor for a dollar and other considerations until 1967.

Both Missile Teams Lose to Livonia

The Livonia Falcons' Homecoming play at Ford Field were too strong for both of Farmington's Missile Teams.

The 40 mile gusts of wind seemed to be like the Falcon ball-carriers. The Junior Varsity lost 20 to 0 because the defense was stubborn at times. The varsity was defeated 34 to 0 however. Their defense which is usually strong couldn't stop the end swings of a strong Falcon backfield.

All of the Missile coaches are going back with the boys to the practice field with vigor to get the teams ready to beat the Livonia Eagles this Saturday. It will be the last game of the season for both Missile teams at Farmington High's field.

Quarterback At Williams

Jim Anderson, 66, son of Mr. and Mrs. John D. Anderson of 32004 Valley Rd., Farmington, is a reserve quarterback on this fall's Williams College varsity football team.

Jim spent his junior year in France and after two years away from the game is recovering his savvy, and so as yet is playing underdearly to stalling quarterback, George Cannon of West Springfield, Mass.

Jim is a member of Gargyle, the 20-man senior honor society at Williams. He is an honors history major, a Dean's List student, and has served as a class officer. He is a 1962 graduate of Farmington High School.

The Little League Banquet Held Recently

The Little League Banquet held recently by the North Farmington Baseball Boys organization featured the presentation of an American Flag which has been the nation's capital of the Congressman Billie S. Parnum. Pictured at the presentation (l. to r.) are sports writer Joe Falls, Bob Grant, Chuck McPhee, Marty Gluckstein, Harry Anderson and Bob Dodge. Grant and Gluckstein are the boys' team over (at Mike's) makes the presentation.

SPORTS

Adult Recreation at Clarenceville Stated

Adult Recreation classes will begin in Clarenceville on Tuesday, November 9, at 7:30 p.m. and continue through the year on the following Tuesday nights: Nov. 18-23, Jan. 4-11, 18-25, Feb. 8, and March 9-22.

Activities for both men and women who have graduated from high school or are beyond

Rocket JV's 6-0 Victors

The Farmington J.V.'s finally pulled out a victory in the last four minutes of the game against a stubborn Hazel Park 60. It was a six-way battle for the first three quarters of play with neither team showing much of an offense but both doing an outstanding job on defense.

The game was played almost entirely between the 40 yard lines until the last quarter. It was here that the Rockets started to move with thrusts into the line by Russ Blansy and hard running by Kenny Haller only to have a fumble stop their drive on the 10 yard line. Hazel Park took over and tried the line twice without success.

With third down and 12 yards to go, they hurled a pass which was intercepted by Greg Adams on Hazel Park's 18 yard line.

The offense moved onto the field and we're not to be denied this time with Kenny Haller going into the end zone from the 4 yard line.

Jr. Football Banquet Nov. 9

The Farmington Junior Football Association is planning the Annual Football Banquet for Rockets and Missile players, cheerleaders and their parents for Tuesday evening, November 9, at 8:45 p.m. in Roma Hall, Livonia.

Players and cheerleaders of all the Rocket and Missile teams will be guests of the Farmington Football Association at the Nov. 9 banquet. All wishing to attend are requested to telephone in their reservations by this Friday, November 5, to Mrs. Marge Dwyer (GR. 4-9283).

Local Marine Leaves Basic

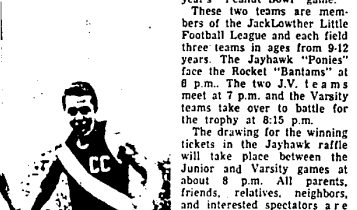

Marine Private Timothy W. King, son of Mr. and Mrs. Cornelius M. King of 32020 Valleyview in Farmington, has graduated recently from Marine recruit training at the Marine Corps Recruit Depot at Parris Island, S.C.

During his eight weeks of intensified recruit training under veteran non-commissioned officer Drill instructors, the learned small arms marksmanship, bayonet fighting, and methods of self-protection, as well as receiving instruction in military drill, history and traditions of the Marine Corps, and other academic subjects.

Under the intensified program he received all the training and instruction formerly given in 12 weeks. The stepped up schedule has been instituted to help the Marine Corps expand its strength as directed by the President.

He has been assigned to Camp Lejeune, N.C. for at least four weeks of advanced infantry combat training before being assigned to a school or to a Marine combat support unit.

KEITH WATSON of Farmington is taking up where he left off as a track star for the Falcons of Farmington High School with his current role as a leading barrier on the Schoolcraft College cross country team. Watson (above) is pictured resting out Stan Bickel of Concordia College in a dash to the finish line during a recent dual meet between the two schools.
