

Two Local Men Receive New Edison Posts

The Detroit Edison Company recently announced new appointments for two Farmington men.

George E. Greenwood was appointed to general superintendent of the electrical system department. He had served as assistant general superintendent since January, 1961.

A member of the board of trustees of the First Methodist Church of Farmington and a steward of the church, Greenwood takes an active part as leader of youth groups in his church and has an association of many years with the Boy Scouts of America.

Greenwood, a Registered Professional Engineer, and his wife, Helen, reside at 3391 Hamlin Court. They have one son, Ralph, and four grandchildren, all of St. Albans, West Virginia.

The appointment of Edward J. Abfalter as general supervisor of cable operation in the electrical system department was also announced by the Edison Company.

A registered Professional Engineer, Abfalter is active in Edison's power club, business club, camera club, and Belleville Pointe association. He and his wife, Mathilda, live at 3200 Shawassee Street.

ENERGY

Where does it come from?

When you look deeply enough, the basic energies that push forward our progress are spiritual — and could only come from God. This insight changes people's lives. Hear this public lecture, "Where Does Energy Come From?" by GERTRUDE E. VELGUTH, C.S., of the Board of Lectureship of The First Church of Christ, Scientist, in Boston.
