

**Set 3 Day Art Workshop**

An Art Workshop for 30 teachers from Farmington Public Schools will be held on February 1, 2 and 3, at the Cloverdale School, it was announced recently by G. V. Harrison, Superintendent of Schools, and Miss Minnie Zielke, Director of Elementary Education.

A free educational service provided by Dancy & Smith Inc., the Workshop will be conducted by Mrs. Betty Ohlrogge Dabbs, who holds a Master's Degree from Indiana University.

The teachers will spend fifteen hours of their own time learning about modern creative art education and some of its materials and tools. They will "Learn By Doing" — the theme

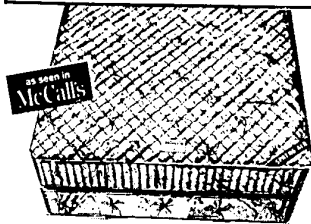

of the Workshop. Rolling up their sleeves, they will try out the techniques presented by Mrs. Dabbs.

THESE TECHNIQUES will include some of the uses of crayons, water colors, poster paints, finger paints, colored chalks, and modeling clay.

Simple craft techniques will also be shown, giving teachers an opportunity to work with paper, paste and other materials to gain three-dimensional effects. All of the Art Workshop activities will be experiences which the teachers can relate to their own classroom teaching.

All of the Farmington Elementary Schools will have personnel attending the workshop.

FARMINGTON ENTERPRISE "Newspaper Carrier of the Week" honors are shared this week by brother (1 to 2) Bill and Roy Aydelotte of 23832 Kendallwood Drive. They have a total of 217 customers on their Enterprise routes in Kendallwood Subdivision.

## Newsboy of Week

"Newspaper Carrier of the Week" honors, announced on Monday by Farmington Enterprise Circulation Manager Fred Wright, are shared by two brothers, Bill and Roy Aydelotte of 23832 Kendallwood Drive in Farmington Township.

The Aydelotte brothers deliver the Farmington Enterprise to a total of 217 customers in Kendallwood Subdivision. Roy is 15 years old and a sophomore at North Farmington High School. Bill is 13 and an eighth grade student at O. E. Dunkel Junior High School. Their parents are Mr. and Mrs. Roy Aydelotte who have made Farmington their home for the past 4 years.

BOTH BROTHERS have ambitions of pursuing careers in electronics and plan to go on to college. Both also like football as their favorite sport although Roy also lists wrestling near the top of his favorites.

Racing, electronics and record collecting are Roy's hobbies. He enjoys racing his slot cars best and says "most of the time I win."

## Three Local Men Enlist In U.S. Navy

Three local men enlisted in the U.S. Navy during January, according to a report from the U.S. Navy Recruiting Branch Station, 15195 Farmington Road.

Howard David Curtis, son of Mr. and Mrs. Lawrence Albert Curtis, 33433 Bostwick, enlisted on January 12. Curtis, a 1965 graduate of Farmington High School, chose the High School Seaman Recruit Program and signed his basic training at Great Lakes, Illinois.

Thomas Randall Pryor, son of Mr. and Mrs. Thomas Jackson Pryor, 20832 Tuck Road, enlisted on January 18. Enlisting as a seaman recruit, Pryor also chose Great Lakes for his recruit training.

William Harold Kelso, son of Mr. and Mrs. Harold J. Kelso, 25552 Springbrook, signed into the S. Navy on January 6. He attended Farmington High School before enlisting and chose San Diego, California, to complete his basic training.

Younger brother, Bill, sticks to radio as his main hobby. He has a five-watt citizens' band transceiver which occupies most of his leisure hours and accounts, maybe, for his aptitude in electronics.

BILL ALSO LIKES swimming in the summer time and bike rides. In the winter, Bill enjoys ice skating.

In making the announcement of "News Carrier of the Week" honors, Circulation Manager Wright of the Enterprise stated the Aydelotte brothers have one of the finest service records of any Enterprise carriers.

## Farm Bureau Meeting Held

West Farmington Farm Bureau held its first meeting of the new year in North Farmington High School on Tuesday, January 11.

Chairman Louis Gilson called the meeting to order at 8:05 p.m., followed by the salute of the Flag. Nineteen families answered roll call with a total of 23 members present, plus five guests.

Reports were given by the various committee chairmen. Grace Resin reported that the State Farm Bureau Cook Books were selling very satisfactorily. Anyone wishing to purchase one of these cookbooks should get in touch with her.

Social Service Chairman, Lettie Gaston, reported sending a card of condolence to the family of Mr. James Lapham who recently passed away. Mr. Lapham was a member of West Farmington Farm Bureau for a number of years. Also, information was passed on to the group that Mrs. Maynard Post who was recently operated on, has returned to her home in Florida.

DUE TO THE crowded agenda for the evening, it was decided that the discussion topic for this month be held over for the February meeting.

Mrs. Maura Scramlin, Michigan State Women's Delegate, was guest speaker of the evening. Mrs. Scramlin attended the Convention of Associated Country Women of the World which was held in Ireland in September, 1965. 1300 women delegates from 50 countries were represented at this convention, many in their native costumes.

During her two weeks' stay in Ireland, Mrs. Scramlin had the opportunity to travel the area rather extensively and was able to take color slides of points of interest, showing the cultural and everyday life of the people of Ireland. Her very informative narration was enjoyed by all who were present at the January meeting. Those who were unable to attend unfortunately missed an outstanding program.

The next meeting of Associated Country Women of the World is scheduled to meet in Lansing at Michigan State University in 1968. It is anticipated that approximately 12,000 women will attend. Farm bureau members are invited to be present during this convention. Refreshments were served by the hostesses, Mrs. Clara Wixom, Mrs. Chamberlain and Mrs. Gilson.

The meeting adjourned at 10:30 p.m. The February meeting will be announced at a later date.

## Students At Longacre Get Letter From Viet Nam

A lesson in current events and patriotism was brought to mind recently for the fourth and fifth grade class of Mr. Maynard Harris at Longacre School.

As part of their language and social studies lessons, the entire class wrote Christmas greetings to the U.S. Soldiers and Marines now fighting in South Viet Nam. The following letter was received on January 3, 1966:

"Dear Fourth & Fifth Graders, I received your letters, through military channels, to distribute as I saw fit. I took them to the hospital where the G.I.'s who have been wounded are being treated by doctors. Many of these men couldn't even read the letters for themselves. They had to have others read them because they were blinded or had lost their vision. They did read them, though, and through your writing became a little happier."

MANY OF YOU said that you knew that war was hard. But this isn't a common war being fought over here. The Viet Cong are cruel and they mean to gain their ends. They even use children and girls your age for their work. I'll tell you about one such time. A young Vietnamese girl, about 10 or 11, had been selling soft drinks in an Army camp near Nha Trang. Every day for about two weeks, she sold the soft drinks to the Americans who crowded around her. Then one day she walked into the camp and, as the G.I.'s crowded around her, pulled a string from around her

wrist. Two grenades, their pins dangling from the string, went off just a few seconds later. The little girl and 5 G.I.'s died instantly. Twelve other G.I.'s were badly hurt.

If the Communists were allowed to take over South Viet Nam, they would have just one more food item in the Free World. Many people don't know what the country of South Viet Nam is like. The people live a simple life, but a hard one. They live as the Pioneers of the Old West did in our country, but without the benefit of steel plowshares, barns, and everything our forefathers had. But it is their way of life and they should be allowed to live it, to grow into a strong nation, if they can, just as the United States of America has done.

WE ARE DEFENDING the principle of Freedom. We are defending another people's right to freedom. We are defending the right of the Vietnamese people to live as they please, work as they please, and worship as they please.

Of the G.I.'s in the hospital that I gave your letter to, some will soon be back in the U.S.A., while others, after their wounds heal, will go back to fight the Viet Cong. You may get letters from a few or you may not. They are not all capable of writing. But they all thank you.

Your G.I. friend,  
Gary N.  
Sp-4  
U.S. Army  
South Viet Nam"

## V.F.W. Women Begin New Cancer Project

The Ladies Auxiliary to Farmington V.F.W. Post 4033 held the first meeting of the cancer project program Friday evening, January 14.

Mrs. Carl Johnson, chairman of the cancer program, invited the group to her home on Filmore Avenue, in Livonia, for the initial meeting. Those present were, Mrs. Harry Kutschke, Mrs. Carl Johnson, Mrs. James Wm. Johnson, Mrs. Ronald Courtney, Mrs. Harry Omedani, Mrs. Booker Pershing and Mrs. A. Morena. The group completed 200 pads during the evening.

The American Cancer Society sponsors this group. If anyone has white material such as old sheets, shirts, etc. to donate to this very worthwhile and necessary cause, please contact Mrs. Carl Johnson, 474-6360, and she will make arrangements to pick up the material.

The next meeting of the cancer project will be held at the home of Mrs. James Wm. Johnson on Friday, January 28, at 8 p.m.

## Man Injured In Fall Into Unfilled Pool

Ernest Bulgarelli, 39, of 12700 Payton Avenue in Detroit, suffered injuries to his head, shoulder, arm and leg when he fell 101 feet into an unfilled swimming pool on the grounds of Mercy Campus, 28300 West 11 Mile Road in Farmington Township on January 17.

Bulgarelli, who was working on the grounds and slipped on the edge of the pool, was treated for injuries at Botsford General Hospital. The accident happened at 1:27 p.m. Jan. 17.
